Old Business:

- Dennis reminded everyone that members aren't wearing their badges.
- The trailer needs maintenance, and asked for donations of materials to help defer the cost of repairs.
- Since Jim has been sick, and in the hospital, the Trommel wasn't finished for the January meeting. Most likely it will be at the February meeting.
- Paul, the man who makes the "Autopan" passed away on 12/22/18. Our condolences and prayers go out to his family.

New Business:

- Dennis and Terry talked with the bank about the \$18.00 fee they charge us every month, and are now looking for a new bank that won't charge us.
- The 501-c idea is to be put on the back burner for the moment, while Dennis comes up with a proposal.
- The markers out on **28** need updating and maintenance.. Dennis asked the members for donations in material and labor.
- The batteries for the club's loaner drywashers need to be replaced or refurbished. The club voted to replace rather than refurbish (**Motion/second/carried**)

Members voted to eliminate the printed newsletter. This will save the club \$150.00 or more per month. The newsletter will still be available on the club's website and on the club's Facebook page.
