Old Business:

Dennis reminded members to not block the driveway next door to the hall

Eric reported we were charged a \$3.00 fee from our bank, because we were still signed u to recieve a paper statement . This has been resolved.

Dennis reported if someone proposes a library outing and asks for voulenteers , no need to have a member vote because such an outing is for the good of the club

A winner was chosen for the trommel lastmonth. We have since discovered the ticket holder had passed away, and their family had no interest in it. Law required us to wait 30 days before drawing another ticket. We drew another ticket at the 1/3/18 meeting, and a winner was selected. (Lynn D)

Dennis told the members, in order to save the club money, if they wanted to recieve the newsletter in PRINTED form, to bring a Self Addressed Stamped Envelope to the meeting and give it to the Secretary.

Dennis thanked the members for their donations for the trailer's repairs / upgrades.

New Business:

Dennis passed out information about the 501C-3 proposal, and answered questions and concerns from the members. Members voted to table the proposal till the next meeting, so they could do research and determine how they would vote.

Dennis Told members about our new motto.
"Alt's a GOLDEN oppertunity to pass on our knowledge"

Dennis proposed replacing the current window decals with a window hanger.
Motion seconded and carried.

The Daily Miner is going to do a free article about the club.

Bryan informed members that our new merchandise area is open on our website. Members can order shirts, hoodies, mugs and much more. The webstore costs the club nothing, and the club makes 20% off every item sold.

Dennis announced that club member George S is battling cancer. PLease keep him in your prayers.
