## Old Business:

Dennis reported the original winner of the trommel was never contacted. He has since compensated her, and she is happy

Dennis reported out trip to the Gold and Treasure show in Las Vegas. We had a fantastic time and made a lot of new contacts. The GPAA even offered to hand out our new brochures.

Announcing our all-new, 1/2 size handbook. We removed all the unnessecary information, and not what used to cost the club nearly 8 dollars each, now costs us a fraction of that.

We worked with a local printing company to get our new brochures finished before the Gold Show, and the look fantastic!

# The free digging day was a HUGE success!

## New Business:

the club voted on the "Gold Monster" metal detector raffle. - The winner can take either the metal detector, or \$500.00 in cash. If the winner takes the cash, the detector will be added to the losing ticket drawing at a later date.

Dennis reminded the memebbers about the May 5th Free Digging Day

The "Member Section" of the website is nearly ready to go. I'm working with Godaddy to make sure it works.

Dennis showed off the club's new signs for the claims.

Dennis explained how the GPAA gets people to help with their events. They hold a special raffle open to only the helpers. Helpers get 1 ticket for every hour they help at the event.

The MPA Metal Detector outing is coming soon! (June 9th)

INstead of having just chicken at the June meeting potlock, Dennis will be using the club's BBQ, and making hot dogs, burgers and sausages.
