## Old Business:

Dennis ordered the new embossing tool for the club, but they sent us the wrong one

We are still working toward the 501C-3. - Dennis proposed holding a bake sale / yard sale to help raise money for the application process. This way, we won't use club money

# Next Meeting - July 5th

## New Business:

Due to the hot weather headed our way, we won't be holding any official outings for the next couple months. Members are welcome to go out on their own. But be careful and take LOTS of water.

The metal detecting outing was a success...Despite Mother Nature trying to sandblast us all to death. All the coins were found except one nugget coin. Sadly, the wind decided it needed the piece of paper I had the winner's names on. If you were there, I'm sure you understand.

It was brought to my attention that  
for our logo to represent prospecting,  
one of the picks should be a shovel

**So this...**
