## New Business

A member had donated a drywasher to the club for a losing ticket prize. The club agreed to add it to the losing ticket prizes. (Motion made and accepted)

Dennis is working on the new Bylaws. He will be bringing them to the next meeting for members to discuss, and if accepted, Bryan will be posting them to the **MEMBER** section of the website

It's been brought to my attention that the newsletter needs some refreshing and some changes. With this in mind, I'm asking all members to send me ideas.

Also, I think the newsletter needs a name. I think calling it "The newsletter" just falls flat. I was thinking of something like "**Mohave Minutes**" or something like that. But this is YOUR club, and I feel everyone should have a say.

So send me an email through the CONTACT US area on the website, and make your voice heard!
