OLD BUSINESS

- We still have trommel / Gold Monster tickets. Remember folks, we can't draw a winner until all the tickets are sold
 - The 501(c)(3) is still making progress.
 - Our outing to the Lake Havasu Library was an incredible success. Lots of people interested in getting started in Prospecting!
 - Pioneer County Events was also a success. We made a lot of new connections, signed up some new members and talked with a lot of people.
-

- Whatever you do, DO NOT miss next month's meeting! We will be having a special guest that you don't want to miss!
- We have a lot of upcoming events and outings in the next couple of months. Check the website for the current list of events.

IT'S STILL OUT THERE FOLKS!

In all the years we have been detecting nuggets, Cheryl had never found one. Then 2 weeks ago in Gold Basin she found her 1st, then 2nd, 3rd, 4th and 5th. I only got 1 that day. That's a Bayer aspirin lid, they were small, half gram total. Gold Monster 1000 and persistence.
