OLD BUSINESS

- Updating signs still in progress
- The Gold Lady has offered us a Gold Monster 1000 for \$700 to use for our next raffle. Eric thought we should get it to have on stand-by. Voted and approved by members present

NEW BUSINESS

- We went to purchase the Minelab Gold Monster from the Gold Lady and it had already sold. She offered us 2 Garrett AT Gold detectors instead for \$750 total. These typically retail from \$500-\$650 each, so, as president, Becky decided to get these instead so we wouldn't lose them.
- The club voted to use 1 for a future raffle and save 1 for a losing ticket prize in December.
- The club voted on keeping the claims or not. They voted to keep Claim 28 & 34, but not renew Franconia
- We have purchased one of the losing ticket prizes for December (posted below)
- We also purchased a very gently used Fritz puffer at a great deal to replace one of the damaged ones for club member use (also posted below)
