OLD BUSINESS

- Signs being missing/wrong out to claims have been fixed. There is some fading, but we will work on getting that fixed soon
- Grill was purchased previously, what do we want to do with the old one? Ideas from club members: Raffle, member purchase, buy & sell
- **Cabinet is going to take pictures and price out to see the best option

NEW BUSINESS

- Start doing 1 year to date for memberships. This clears up the \$5 late fee. New secretary says she has a way to keep track of it. **This was put to a vote and passed **Applications and website will be updated to reflect this change
- Training for new members is in discussion. We are looking to do 1x/month training on drywashing/panning/metal detecting. Still in the works, so watch for updates next month
- Member section on website will have a new password for the new year. This will be brought up at the next meeting and emailed to all paid members
- The Gold Lady store is doing a treasure hunt. Must make a purchase at her store to get a ticket to be eligible to win. More details can be found at her store
- Guest speaker next month
- Reminder that you can pay for table prizes and raffle tickets with check
- The club has a range finder to use when we get new claims. Voted to keep this as inventory to continue to use when needed
- Chloride St. Patrick's Day event is still TBD. We will let you know more info as we find it out
- DVD's available for you to take home. They were donated to the club so you can take one home and return to the next meeting
- Eric discussed an error in the GPS coordinates in the map book and on the website for the Franconia claim. The newer handbooks are updated and the PDF on the website will be updated soon

NEXT MEETING: FEBRUARY 2ND, 2021
