OLD BUSINESS

- Updating signs still in progress
- Good turnout in Wickenburg! Will likely plan an overnight in the fall
- Metal detecting event went well for the small group we had. Going forward, this event will be an RSVP one to make sure we don't overspend on the food/water
- Eric still gets his dealer pricing for the Gold Claws, so those are for sale at meetings \$20 large ones \$10 small ones

NEW BUSINESS

- Club drywashers need some maintenance so Eric & Nate will work on and we need to buy 3 new batteries for those. Three of the existing ones are damaged and not usable at this time. Asked for concerns
- June meeting - Burgers and hot dogs - asked for volunteers to help grill and bring food inside. Also remember that this is a potluck, so bring a dish to share. Finally, losing ticket drawing, so bring all your orange tickets for the 2nd chance drawing.

NEXT MEETING:

JUNE 1ST, 2021
