OLD BUSINESS

- Still looking for enclosed trailer
- Kiln raffle tickets still available
- Signed up for Gem Show in May
- Church contract signed

NEW BUSINESS

- Quartzite Gold Show is scheduled for Feb. 13th-15th. We will not be going, but Rob will pass out flyers for us!
- Vote to have the club buy a new printer for flyers and new member packets
- No booth for Chloride St. Patrick's Day event. Too cold, rainy and minimal turnout. We will try for the October event
- Maps on website are updated. Calendar is in progress. Head's up that the metal detecting event will be in April. More details to come next month. Rob did state he would manage the panning contest for us!
- Safety Reminder - snakes will start showing up again in a month or so. Be aware of your surroundings.
- Please have patience with us if you mail things to the PO Box. It doesn't always get checked weekly and we all have other priorities as well. John & Teresa took a much-deserved vacation recently. We are all caught up now.

**NEXT MEETING:
MARCH 3RD, 2026**
