OLD BUSINESS

- No outings in June, July or August due to heat

NEW BUSINESS

- Meeting doors will open at 6pm going forward. This gives the cabinet time to prepare before the meeting. We are in the larger hall now, so no reason to come early as we have plenty of chairs.
- If you are selling prospecting related items, you can do so in the Parking lot starting at 5:30pm. This will be swap meet style where you are responsible for your own items, change, etc
- Our favorite BLM officer, Carrie, has retired. If you have her number saved from a previous visit, it is no longer in service.
- Dry washers are available for club members, but should only be for 2 weeks at a time. We have 3 and they are all out right now. We've had an issue where we can't get in touch with someone who has one. Going forward, if we cannot get them returned, we may need to look into possibly putting down a deposit to check one out.
