|----------------------------------|---|---|

HOPE Learning Academy of Toledo has adopted and board-approved policy Ohio cell phone use that aligns with the Ohio Revised code.

Cell Phone Policy

To support school environments in which students can fully engage with their classmates, their teachers, and instruction, the Board of Education of **HOPE Learning Academy** has determined the use of cell phones by students during school hours should be limited.

The objective of this policy is to strengthen **HOPE's** focus on learning, in alignment with our mission to ignite students' passion for learning, cultivate a strong foundation of knowledge, and foster a sense of community within our schools.

Research :

Research shows that student use of cell phones in schools has negative effects on student performance and mental health. Cell phones distract students from classroom instruction, resulting in smaller learning gains and lower test scores. Increased cell phone use has led to higher levels of depression, anxiety, and other mental health disorders in children.

Applicability

This policy applies to the use of cell phones by students while on school property during school hours.

Use of cell phones

Students are prohibited from using cell phones at all times.

Exception

Nothing in this policy prohibits a student from using a cell phone for a purpose documented in the student's individualized education program developed under Chapter 3323 of the Ohio Revised Code or a plan developed under section 504 of the "Rehabilitation Act of 1973," 29 U.S.C. 794.

A student may use a cell phone to monitor or address a health concern.

Cell phone storage

Students shall keep their cell phones in a secure place, a storage device provided by the district, at all times when cell phone use is prohibited.
