

LUZIRA UPPER PRISON

KAMPALA

I am **Kule Ronald** from Kasese District, munjunju sub-county, katanda Village. Am a son of the late Eriza Kisombera from Katanda II.

I was born on **15th Febuary 1990** . I went to school and I dropped in Primary Four because there was no money. I grew up with my mother. I used to help her in demanding those paying coffee and other things even me time came I learnt o purchase clothes in markets on boda Kasitama.

Time came police arrested me together with my brother **Bwambale Nickson** and they took us to **Kasese Police Station**. Then Police took us to Court and charged us **50 years at Kasese Prison, Mubuku**.

After they brought us to **Luzira upper prison**. When we reached **Luzira upper prison**, I found when they had a job.

I then started working in a workshop from which I learnt machines of different kind.

I pray that Court should release me so that I can return home where I can be able to do a lot of things starting fro what I have learnt while in prison.

I thank the management of prison for having taught me.

I am **Kule Ronald**.
