

## MUNJI MTWALIB'S STORY

By names am called **Munji Mtwalib** a **Convict** residing in the above institution. I was arrested on **7<sup>th</sup>/Feb./2009** brought to kiboga police station which forwarded the case to **Kiboga high court** which finally convicted me on **29<sup>th</sup>/Aug./2011**. I appealed but up to now I have not moved to court of appeal.

I was born on **8<sup>th</sup>/feb/1970** from Lukaya in Masaka district. I attended Lutengo primary school where I stopped in primary four due to financial problems.

Before arrest, I used to work in a garage in Kampala where I got some skills in mechanics and driving. Even up to my time of arrest I was actually working as a driver of big vehicles.

I had a wife and two children before my arrest. My children were studying in lower primary and I left the burden of upbringing these children to my wife yet I was the bread winner.

After I was **convicted** by **Kiboga High Court** over a defilement case, I was sent to the above maximum security prison on **29<sup>th</sup>/Aug/2011**.

I immediately joined carpentry section in the year 2012 where I am still working up to date. I have gained experience and skills in carpentry whereby I am in position to operate different machines and make different furniture.

For the time I have spent in **Prison**, I have never committed any offence or case which interferes with the **Prison rules** and regulations generally.

Basing on the above facts, I would also like to inform you that I was a first time offender. I had never committed any offence or sent to any police post or prison and I really thank God the Almighty for that.

Most of my properties outside were or are being used by other people some of whom are unknown to me. I believe I will start a new life completely upon release.
