Narrandera Golf Club

Summer Teams 2024-25

Week 3

The gaps are beginning to close, particularly at the bottom of the table, with a mere 14 points separating positions 10 to 17. **'Class Act', 'Golf Sharks' and 'Bidgee Bog Busters'** will need some good scores this week to differentiate their positions. **Jaxon Curry** had another fabulous score of 24, **'Mostly Family'** would be pleased to have him as part of their clan! **'Narrandera Auto Wreckers'** have been the big movers this week, climbing from 11th to 6th.

We have a player that is looking for a team, if there is a team that has a player that has not been able to play or would like to discontinue the competition, contact a committee member – we have a replacement.

Please remember to pay your green fees, the honesty system applies.

Week 1 Winners

Jaxon Curry - best score 24 nett.

NTP 2nd winner (for players over 10 handicap) **Jaxon Curry** – 114cm

NTP 5th winner **Gary Wickes** – 430cm

Rod O'Brien pro pin on the 18th – **Nick Hetherington** - \$20

Ball winners to 28 nett on a countback

Prizes can be collected from the Pro Shop.

Ball Winners included:

Peter Bloomfield, Martin Hiscox, Heath Wasley, Chris Moore, Brett Rankin and **Graham Flynn** all on 26, on 27 were **Cindy Ridley, Chris Tait, Nick Hetherington** and **Mick Powell**. Rounding off the ball winners on 28 were **Ky Bloomfield, Braden Ingram, Graeme Terlich** and **Shane Walker**.

Clearly a good score is needed to even have a chance of winning a ball.

The committee would like to thank our sponsors (listed on your scorecard), without whom this competition could not take place.

Until next week.....

The Summer Teams Committee
