Narrandera Golf Club

Summer Teams 2024-25

Week 5

Congratulations to our voucher winner this week – **Karen Eurell**, who scored an amazing 24 nett.

The inclement weather on Sunday may have discouraged all but the most dedicated of golfers. There appeared to be a few teams with regular players missing a week, who may have wished to play on Sunday. Please try and play every week, or play in advance, as a score of 40 added to your team can have a very detrimental effect. Just another reminder, we do have a player that is looking for a team, so if some of your team are struggling to play or wish to discontinue, please contact a committee member.

Braxton Ivanoff was unlucky to not win the pro pin on the 18th. Although he landed on the green, he was not within the required 3m to claim his cash prize.

Week 5 Winners

Karen Eurell - best score 24 nett.

NTP 2nd winner (for players over 10 handicap) **Greg Lawrence** – 268cm

NTP 5th winner **Murray Steele** –310cm

Rod O'Brien pro pin on the 18th – **Jackpot** - \$20

Ball winners to 28 nett on a countback

Prizes can be collected from the Pro Shop.

Ball Winners this week included:

Sameera Bashir, Jackie Babbs, Peter Powell and Greg Lawrence all on 26. On 27 were **Chris Walsh, Chris Grantham and Mark Tait**, a large group on 28 included: **Murray Steele, Johnno Schofield, Brett Darrington, Dylan Johnson, Mick Steele, Wayne Hickenbotham and Emily Greer**

Never has it been so difficult to win a ball, or indeed a voucher. An amazing score is needed to be even in the hunt!!

The committee would like to thank our sponsors (listed on your scorecard), without whom this competition could not take place.

Until next week.....

The Summer Teams Committee
