### Summer Teams 2024-25

### Week 1

An amazing 20 teams have entered the Summer Teams competition this year, as the summer heats up, so will the competition. New kids on the block – '**Bogeytins**' have thrown down the gauntlet with an impressive score of 96 to kick off the season, **Harvey Odgers** coming home with a magnificent 20 to help his team along. Regular summer teams entrant '**Mostly Family**' were hot on their heels with another impressive score of 97. **Jaxon Curry** scoring an incredible 15. The handicappers have got some work to do!!

Teams languishing towards the bottom of the ladder suffered from some members of their team not playing and receiving an automatic score of 40. Please encourage your team members to play every week. A reminder that you can play your games in advance if you wish.

Thanks to **Rod O'Brien** for sponsoring the pro pin on the 18<sup>th</sup>, the closest within a 3m radius gets the jackpot. The jackpot this week was claimed by **Jock McHale**, 170cm. He pockets \$10 for his efforts – well done. The Pro Pin on the 18<sup>th</sup> will jackpot each week if it is not claimed.

Please remember to add up your card accurately and also complete your card neatly – makes it much easier for the scorers.
