Week 1

Welcome back to everyone and a warm welcome to all our new team players.

This season we have 21 teams registered including a team of 7 from Kurrajong Waratah, which means we should see 127 players enjoying their golf each week for the competition.

It is a requirement to be a member of the club to play in the Summer Teams competition. If you have not yet joined, please do so as it may influence your teams' score.

Team's registration is required to be paid by round 3.

We saw 104 players take to the course this week. Please remember to take a sand bucket with you on your round and fill any divots that you create in your play. Also, if you know how to, please also repair pitch marks on the green, if you are unsure of how to make these repairs, there are several members who can assist.

Doesn't the course look great for the start of our Summer Teams season, this is down to the hard work of the volunteers, their goal is to see many people enjoying the course and clubhouse facilities congratulations and thank you to all the course and clubhouse volunteers.
