## Narrandera Golf Club

### Summer Teams

2024-25

Week 6

Congratulations to our voucher winner this week – **Dylan Johnson**, who scored an amazing 22 nett. Clearly the handicappers have some work to do here!

The Roadies and Bidgee Burglars continue to languish at the bottom of the ladder, suffering from the affliction of too many players not playing and scoring 40. Maybe they are planning on coming home with the wind in their sails once the finals rounds begin?

Party Central and Class Act had two very good scores this week, 112, both teams climbed three places on the ladder. Mostly Family and Happy Gilmours had some uncharacteristic high scores however, despite this, Mostly Family have maintained their top position on the ladder.

**Nick Hetherington** had a good round, nearest the pin on the 5<sup>th</sup> and also taking out the Rod O'Brien Pro Pin on the 18<sup>th</sup>.

Until next week.....
