Narrandera Golf Club

Summer Teams 2024-25

Week 4

Beginner's Luck are finally having some of just that – posting the top score for week 4 with an incredible 110. Congratulations to golf newcomer **Heather Coddington**, this week's winner with an amazing 24 nett.

Dimpled Balls were the big sliders this week, dropping from 5th to 12th. The competition is very tight with 5th place to 15th place separated by only 15 points!! Some good (or bad) scores this week can translate into a lot of movement on the ladder. Make sure you get out there and play your round – don't let your team mates down.

We still have a player that is looking for a team, if there is a team that has a player that has not been able to play or would like to discontinue the competition, contact a committee member – we have a replacement.

Please remember to pay your green fees, the honesty system applies.

Week 4 Winners

Heather Coddington - best score 24 nett.

NTP 2nd winner (for players over 10 handicap) **Lindsay Hughes** – 256cm

NTP 5th winner **Jeff Kirk** – 430cm

Ball winners to 28 nett on a countback

Riley Smith and **Mick Rava**, both on 25. **Cindy Ridley**, **Helen Langley** and **Mark Chappell** on 26. There was quite a collection on 27 – **Sameera Bashir**, **Hunter Robertson**, **Bill Pope** and **Phil Orme**. Rounding off the ball winners on 28 were **Jaxon Curry**, **David Coddington**, **Colin Burrell** and **Murray Steele**

Never has it been so difficult to win a ball, or indeed a voucher. An amazing score is needed to be even in the hunt!!

The committee would like to thank our sponsors (listed on your scorecard), without whom this competition could not take place.

Until next week.....
