Summer Teams 2024-25

Week 7

Congratulations to our voucher winner this week – **Toni Gerrard**, who scored an amazing 22 nett. Toni had a great round, scoring a birdie on the 4th, followed up by a par on the 5th. Well done!

The competition is becoming very interesting as we near the summer break, particularly the middle of the field, with only 14 points separating 7th and 14th positions. **Mostly Family** and **GG's2** remain the clear leaders with **Bogeytins** rapidly closing the gap. **Dimpled Balls** had a fabulous score of 107 with **Blake Jones** scoring a 23, a score such as this would ordinarily be a certainty for player of the week, unfortunately for Blake, not this week.

Players are reminded they only need to play once between the 23rd December and the 19th January (week 11). Any golfers that are lucky enough to be heading away over the holiday period can play their teams in advance, so avoiding the dreaded score of 40.
