

**IN THE CIRCUIT COURT OF THE SEVENTEENTH JUDICIAL CIRCUIT IN AND
FOR BROWARD COUNTY, FLORIDA**

ROYER BORGES and EMELY DELFIN,
As the natural parents and guardians
of ANTHONY BORGES,

Case No.: CACE 18-008568

JUDGE: HENNING

Plaintiff,

v.

NIKOLAS JACOB CRUZ, JAMES SNEAD,
KIMBERLY SNEAD, HENDERSON
BEHAVIORAL HEALTH, INC., a Florida
not for profit **corporation**; JEROME GOLDEN
CENTER FOR BEHAVIORAL HEALTH, INC.,
a Florida not for profit **corporation**; SOUTH
COUNTY MENTAL HEALTH CENTER, INC.,
a Florida not for profit **corporation**; and the
ESTATE OF LYNDA CRUZ,

Defendants.

MOTION TO INTERVENE

Intervener, JOSEPH GILBERTI P.E., a Licensed Professional engineer in the State of Florida, pursuant to Florida Rule of Civil Procedure 1.230, hereby moves to intervene as party PLAINTIFF in this action between plaintiff ROYER BORGES and EMELY DELFIN, parents and guardians and defendants NIKOLAS CRUZ, ESTATE OF LYNDA CRUZ, JAMES SNEAD, KIMBERLY SNEAD, HENDERSON BEHAVIORAL HEALTH, INC., JEROME GOLDEN CENTER FOR BEHAVIORAL HEALTH, INC., AND SOUTH COUNTY MENTAL HEALTH CENTER, INC.,

and state as follows:

1. The Defendants worked with Governor Rick Scott, local police, US and Local Leaders, News Media and Broward School Boards to hide a \$17million dollar offer on March 20, 2018 at the Broward School Board to wounded Stoneman Douglas Victims to discuss violent video games, TV and movies; this offer was presented by INTERVENOR within 30days of the Parkland shooting.

2. This shooting was timed exactly 17 days after a Critical World Drinking Water was submitted to FDEP State Revolving Fund in Tallahassee at the Marjorie Stoneman Douglas Building on January 28th 2018 for a World Medicine changing Resource under Interveners property located at 9438 Daughtrey Road, Sarasota Florida 34266. This site is in US Supreme Courts, Sarasota to Tampa courts for years as part of the Florida North South Water Conflict; currently under Israel-Saudi Arabia Mosaic Phosphate attack working with Health Foundations, Hospitals and Big Pharmacy groups to maintain a massive racketeering operation in Lower Level of Service Water supply.

3. Proof of this critical Water supply which has been in permit for a 300mile Transmission down I-75 since 2012 to lower cancer rates and bring millions of new jobs has been surrounded by Terrorism acts by the US Government and Wall Street corps such as Mosaic ranging from the Boston Bomb Marathon and more. See attachments.

4. With past FDEP emails of Jog Torch run by FDLE with Gov Scott shown in Leon County five hours before the Boston Bomb used to kidnap INTERVENOR with Tampa Dist 13 raising a small \$500 misdemeanor bond for whistle blowing and permitting the World resource to the Tap, victims being the most Powerful Lawyers in the World, Greenberg Traurig for Israel Mosaic Phosphate, the bond jumps to \$300,000 dollars, Gilberti is surrounded by US Marshalls, Deep State Cops and Secret Service to hide this World Resource from THE PEOPLE, with no

contact with so called victims in a year just 12 days after the secret underground Resource was found. Then all charges were dropped a year later after attacking the land in Sarasota showing a massive Department of Justice, Florida and US Leader, Media group of Terrorist stealing tax base, Medicaid and creating FAKE News attacks with Obama, Biden, Governor Rick Scott, Marco Rubio, Blue Gold Bush Family, Vern Buchanan, Bill Nelson and more, just to name a few, this case is also part of other cases in the State and Federal system.

5. Sarasota Cases 2015 CA 006544 NC and 2016 CA 000205 NC has the Marjorie Stoneman Douglas shooting involved. US Federal Cases involving the land next door also include multiple terrorism acts and this shooting which is being reviewed by FBI and US Supreme Court under Daughtrey vs Rivera Trustee. Also Tampa Cases under Joseph Gilberti Jr. show additional information where Pam Bondi and Tampa District 13 Judges filed fake AR-15 emails the week of the Pulse Bar shooting on INTERVENER to time the kidnapping two weeks after the Marjorie Stoneman Douglas offer in 2018 with bond games and hikes.

6. Cory Gilberti, INTEVENERS cousin was set up by Broward Sheriff Scott Israel's office with a FAKE AR-15 police report that shows Cambridge Security building was shot up and blame put on him the same time a Fake AR-15 email threat was done on INTERVENER in June 2016 showing a massive group tied to FDLE and Florida Leaders, media and more to play games and time subduing their adversaries to hide or control this US and World Drinking water resource for foreign corporations like Mosaic Phosphate, Nestle and Global elite. See Broward Case for Cory Gilberti vs State of Florida Case No. 17002130CF10A.

7. Water Treatment is based on Cancer Rates and millions of People have died from this access to a massive underground Ocean on never seen before Alkaline Mineral Spring Water.

8. Plaintiffs filed a Complaint for Damages on April 17, 2018 after this offer was

presented to victims of Stoneman Douglas shooting to School Board on March 20, 2018. And again Gilberti is kidnapped by Tampa District 13 working with Florida Leaders to hide this Resource with all US Media now for 6yrs. The well was dug in 1969 and we have proof the Department of Interior located it in 1971 and EPA knew in 1974 with Sarasota county, Southwest Florida Water Management District, Global Elite and many more.

9. Both Parties need to provide proof of timing and events to INTERVENER to be examined, deposed and included in other cases that affect National Defense, Security and Healthcare as many more of these Secret underground rivers, timed with Terrorist acts or Shootings, in Florida and US Courts, can be found by NASA, EPA and USGS who is hiding them for the ELITE to kill Families at the tap with Cancer Rates, Diseases and Vaccines.

10. Why would any School Board, New Team, Commission, Governor, President, Sheriff's office hide a US Resource that helps millions of People or this offer presented to make these kids, parents heroes to America for helping expose this US Resource and lower Water and utility bills, cancer to over 10million Florida Homes, Businesses, Schools, Hospitals and more.

11. If this Critical medicine changing endless US Resource was disclosed by Media and Stoneman Douglas wounded kids millions of Lives could be saved, Civil Servants, Cops and Teachers would get raises and job security from a massive Alkaline housing boom that stabilized Mileage rates.

12. Why wouldn't Teachers, Parents of Victims want to take our offer, help open this World Resource to save over 20,000 kids/day dying on Earth of Blue Gold Water wars and get compensated much more in revenue, Civil Servant Raises, monies for School Safety from a Cancer Free Alkaline housing boom, New Medicine and Earth Science. This site teaches Mankind how to find the rest in Days. Plenty of True and Endless drinking Water naturally from Earth means plenty of Food, energy production and eliminates reasons for Wars and World

Hunger.

Broward county 300mile Antioxidant pipeline presentation sent to FDOT Dist 1, 4, 6 in 2014 for permitting.

Why isn't this AR-15 Broward County Case# 17002130CF10A with Engineer Joe Gilberti's cousin Cory Gilberti, Broward Sheriff Scott Isreal, Obama and Pam Bondi set up with all Florida Leaders?

<https://www.bitchute.com/video/yn8zS4qQkYPT/>

13. Intervener, JOSEPH GILBERT, P.E., have the requisite interest in the litigation to permit their intervention because the issues they seek to raise are encompassed by the present controversy between the parties to this case. See Union Cent. Life Ins. Co. v. Carlisle, 593 So.2d 505, 507 (Fla. 1992) (Intervention should be permitted where the parties' interests are "of such a direct and immediate character that the intervener will either gain or lose by the direct legal operation and effect of the judgment.") Consequently, intervener JOSEPH GILBERTI P.E., is appropriate party to this litigation.

14. Leave to intervene shall be given freely when justice so requires and is greatly favored in Florida. See Florida Rules of Civil Procedure 1.230; National Wildlife Fed'n Inc. v. J.T. Glisson, 531 So.2d 996, 997 (Fla. 1st DCA 1988) ("Intervention should be liberally allowed."); see also Miracle House Corp. v. Haige, 96 So.2d 417, 418 (Fla. 1957).

15. The granting of this Motion to Intervene will not unduly delay this action or prejudice any of the parties because the action of the intervener's offers to parkland victims to the School Board and public without due process has already inextricably linked the interveners

to this action.

WHEREFORE, intervener JOSEPH GILBERTI, P.E. RESPECTFULLY REQUESTS this Court: (a) grant their motion to intervene as party plaintiff; (b) direct the Clerk to amend the style in this case to reflect the interventions; and (c) for such other and further relief as the Court deems just and proper.

CERTIFICATE OF SERVICE

I HEREBY CERTIFY that a true and correct copy of the **MOTION TO INTERVENE** was furnished to: Alex Arreaza, The Law office, 320 W Oakland Park Blvd, Wilton Manors, FL 22211-1710; Joel Perwin, 169 East Flagler Street, Ste 1523, Miami, FL 33131; Joshua Walker, Dean, Ringers, Morgan & Lawton PA, , AND James S. Lewis, Esq., 200 SE 6th Street, Suite 301, Fort Lauderdale, FL 33301 by ECF Filing on this 8th day of **December, 2018**.

Respectfully submitted,

Joe Gilberti

RE: Clean Water Act Notice of Intent to File Suit

Section 505(a)(2) of the Clean Water Act (CWA) and
Section 1449(a)(2) of the Safe Drinking Water Act (SDWA)

- Failure to Utilize Higher Level of Service for Raw Water Resources from EPA and Peace River Manasota Water Authority Florida hidden Underground Alkaline Endless Spring Water River and improper use of State Revolving Funds, US Grants to build potential Terror attack above Sky Reserviors (ZIKA Ponds) via RV Griffin Reservior after Hurricane Charlie pursuant to Title 42 U.S.C. to protect the Public Safety and Welfar of US citizens at the Tap of a 4 to 6 County Regional System.
- Harboring known US Terrorist Attacks surrounding this critical medicine changing Unique underground Spring water mixture and Resource and its court docket timing to kidnap engineer Gilberti while attacking his land and his clients land with Florida Dept of Justice and Leaders.

Dear Acting Administrator Wheeler and Region IV Administrator Walker:

LandTech Design Group, Inc. (LDG) hereby gives Notice of Intent to file suit under the both Section 1365 citizen suit (33 U.S.C. §1365) provision of the Clean Water Act (CWA) and the Federal Administrative Procedures Act (APA) (5 U.S.C. Section 701-706) against the U.S. Environmental Protection Agency (EPA), Acting Administrator Andrew Wheeler in his official capacity as EPA Administrator, and against Mary

S. Walker in her official capacity as EPA Regional Administrator for Region IV, for their failure to perform EPA's following non-discretionary duty under Section 303(d) of the CWA and 40 C.F.R. §130.7 and Failure to utilize an available Underground hidden Alkaline Spring Water River known for 40yrs by Southwest Florida Water Management District, EPA officials and staff, Department of Interior, Manatee, Hillsborough, Desoto, Charlotte, Lee, Collier and Sarasota counties for HIGHER LEVEL OF SERVICE Raw Drinking Water Resources to millions of Florida citizens to Lower Cancer Rates in the Region at the Tap. Current FDEP Regulations 62-555 (310) as written pursuant to the EPA Clean Water Act of 1974 and its revisions and additions thereto.

1. Peace River Manasota, Sarasota, Charlotte, Manatee Counties, City of North Port, City of Punta Gorda have hidden this US Resource to fill cancer centers with Medicaid Fraud Gov Scott and a massive Racketeering Act to sell medicine and fill Cancer Centers. Current City of Punta Gorda utilities is expanding a Shell Creek Treatment facility and purposely ignored a Sarasota 2014 transmission permit application submitted by LandTech to connect to the Peace River Manasota Water Supply board owned by Sarasota, Desoto, Charlotte and Manatee county. These counties are stealing medicaid money by pumping a known Arsenic River to millions of Homes and ignoring this Spring Water unique Natural Resource that is not a spring but a massive underground River with Alkaline readings from a Titled platform from the K-T Event. This resource has been flowing for over 65million years and is not leaving or running out. It has the endless capacity and can serve 10million plus homes via a submitted FDOT 300mile Antioxidant spring pipeline from Tampa to Miami from this Source. Phase 1 charges Peace River counties and Fort Myers and Naples with minimum costs to the Region less than Shell Creek WTP expansion. Southwest Florida Water Managment District with Governor Rick Scott has attacked Engineer Gilberti land with local Mosaic Phosphate attorneys Greenberg Traurig and a slough of medicaid Fraud Racketeering groups tied to US Middle District, Tampa District 13, Sarasota District 12 and Lee county District 20.
2. EPA has a duty to come to Gilberti Ranch and test this US Resource under attack by Local Leaders and Developers hiding it to fill Cancer Centers with Lower Level of Service Raw Water Resources falling the the Intent of the Clean Water Act and using 50 States of Grant money to build RV Griffin Reservoir with Southwest Florida Water management District, FDEP SRF Funding, State Revolving Funds, State Cooperative funding to keep Cancer rising, stealing Grants for 50c13 Cancer Research at USF Moffit and other Universities across America in within a massive west Florida to south

Florida Cancer cluster that ignores Raw Water Quality resources such as this 2000ft deep underground River in the Rocks showing a pH=7.49, Chlorides at 206mg/l, Calcium at 114mg/l, Magnesium at 78mg/l ready to drink Spring Water tied to a underground ocean. As a Professional Engineer for over 15yrs we ask the EPA and its consultants to come to our land, as will provide access to test this never seen on Earth Water Quality, perform pump report test and see the massive natural Frack past 1100 feet that yield tremendous flows that eliminate Water shortage issues, lowers water bills, cancer rates and provides enormous Sustainability to the Region.

3. EPA has a Duty to inspect this Unique wonder of the World that shows Mankind how to find the rest hidden across America, such as near Flint Michigan, the Tri-State Florida Water War in Alabama-Georgia region and even near Washinton DC at the Chesapeake impact crater.
4. A large \$500 million reservoir (RV Griffin) was installed and a 20mile 42-inch Water main by Southwest Florida Water Management (SWFWMD), Peace River Manasota Water Supply Authority (PRMWA) stole 50 states of Grant money by to hide a secret underground Alkaline River tied to an Ocean under Joe Gilberti's land and Cecil Daughtrey lands with unlimited Cancer slowing ready to drink Spring Water after Hurricane Charlie. Southwest Florida Water Management and Sarasota county gave Florida Forever Trust funds to Longino, Carlton and Walton Ranches along the this improvement who also have known of this secret underground River as these families have grown up for generations together and the Well accessing the Secret isolated river was dug in 1969 and had a WUP with SWFWMD for since 2001. These SWFWMD Reservoirs like RV Griffin are essentially high maintenance ZIKA PONDS that we have permit plans showing to convert these potential Water supply terror attacks to a Power plant with our endless underground spring water resource, engineering plans and connection. This Reservoir extorted American Tax money for Power corps in the area like FPL, Duke Energy and PRECO while creating cancer clusters, death of Americans at the Tap to millions and a potential and above sky terror attack from Pesticide Planes at the Reservoir hidden in a Swamp of Trees where low flying planes and drones cannot be detected. See FEMA Stafford Act 6.11.
5. A simple Water health scan and pump report can verify this World Drinking Water resource in a few hours which eliminates billions of Tax dollars being wasted by SWFWMD, West Florida County commissioners, Peace river Manasota and Florida Forever Trust funds building these Poor Water Supply systems from Poor Water supply resources pursuant to FDEP 62-555 (310)

- 6 All plans and regional permit petitions have been ready for approval and obtained by FDEP director Jon Iglehart in Fort Myers Florida. Application fees of \$10,300 cleared by FDEP in November 2013 with Brian Dietz P.E.; these permits were transferred to FDEP Fort Myers Florida December 31, 2013. Resubmitted was done again after hurricane Irma where FPL, Duke, and all Florida leaders, SWFWMD, and EPA purposely hid the resource with to put Americans at risk.
 - a. Engineer Gilberti is in litigation with a group called 72 Partners LLC in Sarasota county which includes five men named, Thomas Howze, Lee Pallardy, Kenny Harrison, Laurence Hall and Spenser Hall. Kenny Harrison owns Harrison Cattle LLC which leases land from SWFWMD at the RV Griffin Parcel where the RV Griffin Reservoir was built to steal \$500million from 50 States after Hurricane Charlie and hide this Resource to serve it to Mosaic Phosphate who is destroying Aquifers with the help of these groups included in this Lawsuit. This is a Racketeering operation to sell medicine as when taking a shower a liter soaks into the body hence driving home values down and cancer rates and water bill up in the region using POOR Raw Water resources.
- 7 The Supreme Court has been filed by Cecil Daughtrey on a barrage of Terrorism acts timed with Tampa District 12, Lee county District 20 as well as Sarasota District 12 lawsuits and kidnapping of engineer Gilberti with falsified police reports by Mosaic Phosphate chief council who was fired on our Property due to Mining compact conflicts on our land holding a SWFWMD mining permit from 2009 with phosphate in the dirt in the Mosaic Phosphate District of Sarasota county.
- 8 This resource under our land hidden by the SWFWMD, Peace River and West Coast engineers, leaders and Media shows underground formations and knowledge that millions more exist across the Earth, to help other US States and other nations.
- 9 Israel Mosaic Phosphate next to our land Nestle, Coke, Pepsi, Disney and all hospitals hid this U.S. resource to the tap with Tampa to Ft Myers Agencies, Engineers, EPA for 40 years to sell medicine and kill people with cancer, diseases, and a low level of service (LOS) in drinking rain water resources. The well was dug in 1969.
- 10 See FDEP Revolving fund to Marjorie Stoneman Douglas Building in Tallahassee 1-28-2018 then suddenly a Parkland Marjorie Stoneman Douglas High School shooting or terror attack 17 days later with 17 shot

and 17 wounded and our engineer was kidnapped by Tampa District 13 again to stall our permitting and investment groups or run them off?

- 11 A class action and RICO is at hand on hiding Critical US Drinking water supply resources and medicine tied to a massive Medicaid fraud operation by leaders, developers and Hospital foundations in Florida. This needs to be forwarded by all parties to Washington State Attorneys office to investigate the aforementioned immediately and put on US media to find more issues of agencies, their lawyers and engineers purposely hiding Raw Alkaline spring water resources that never end in flow and capacity.
- 12 President Trump, Congress and Media must take action on these critical issues and this unique resource hidden by Hospitals stealing Medicaid from Lower level of Service Water Supply, Colleges and Universities, Agencies, Department of Justice, EPA, NASA and US media.
- 13 Indicators show SWFWMD, West Florida Leaders, Tampa Bay Water, Peace River Manasota Water supply, Israel Mosaic Phosphate, Rothschild IMF World Bank, and Federal Reserve central banks hid this Resource for over 40yrs to create cancer clusters and Wars as this site shows Mankind how to find many more access points to this Underground Ocean of Unique Spring Water ready to drink right out of the Ground.
- 14 Public Service commission complaints on FPL, Duke Energy and more were filed in 2012 by others PSC Complaints 05400-13 and 02424-13 with Gilberti Water supply documents attached at the same time Duke and Progress Energy were assessing \$1.5billion to clean up a STILL EMITTING Nuclear Power plant in Crystal River which are the Headwaters of Hillsborough River pumping 65MGD of Radioactive Water to the Tampa Region to fill Moffitt cancer centers and USF Cancer Grants. Very similar to Radioactive mining spill by Mosaic Phosphate during 2011 Fort Meade Case when Gilberti and Daughtrey fired Dave Weinstein of Greenberg Traurig due to conflicts as he was on that case, our lands, and we have a Phosphate mining permit and a deep Floridan well, the two essentials for a Fertilizer plant. Now Desoto where Peace River Water plant is working Horse Prairie which was traded as a settlement in the Fort Meade Case. Mosaic was after our site timed with their RV Griffin improvements! They would have never opened it; they would just sell medicine and create more cancer centers with Medicaid Fraud Gov Scott.

Administrative Law Judge J. Lawrence Johnston will conduct a hearing to consider the environmental effects and any other appropriate matters regarding whether to approve the site certification of the proposed Progress Energy Florida, Levy Nuclear Plant Units 1 and 2, application for site certification number PA08-51, DOAH Case number 08-2727EPP, DEP Office of General Counsel Case Number 08-1621, pursuant to the Florida Electrical Power Plant Siting Act, Sections 403.501-.518, Florida Statutes. ...

Meeting: hearing

Contact: Mr. Michael P. Halpin, P.E., Marjory Stoneman Douglas Building, 3900 Commonwealth Boulevard, M.S. 48, Tallahassee, Florida 32399-3000, (850)245-2007.

- 15 The Administrative Law Judge can order (daily) multiple lab tests and verify the resource with our experts, such as Jim Murray in Palm Beach Florida of AMPS Aquifer maintenance who performed a DTH video showing higher benefits as we drill deeper.

- 16 After this discovery of a massive underground ocean from a Meteor impact crater verified by Oil consultants, suddenly Tampa Dist 13 kidnapped engineer Gilberti for 300days on Boston Marathon explosion day 4-15-2013 after sending a Jog email of Leaders and FDEP with Hershel Vineyard of Foley Lardner and Gov Rick Scott running in a Torch run 5hrs earlier on file in Tampa and Sarasota Courts. See LandTech Design Group vs 72 Partners Inc. All in an effort to hide this Secret Underground Ocean from THE PEOPLE and their home taps and tax Americans with unnecessary Reservoirs to sell medicine as Tap Water is based on Cancer Rates. Alkaline Natural Spring water with lower water bills eliminates the need for Rivers, Reservoirs and huge lawsuits and loafing like this case at hand.

Rob Stampe is being deposed who worked on Gilberti plans married into the Sam Walton family (Wal-Mart) and is taking pictures with Gov Scott two different times to testify on all said issues of Corruption against THE US PEOPLE on this Water Supply!

This FDEP Email was sent 5hrs before the Boston Bomb and suddenly Gilberti is kidnapped by Pam Bondi and Obama in District 13 with Judge Dominquez and Judge Conrad with Mark Ober and a slew of State Attorneys and Public Defenders

Certified Mail receipts for permit for Filtration plant submitted to FDEP Sarasota Brian Dietz, P.E. then transferred to Ft Myers FDEP as Gilberti was kidnapped during Boston bomb explosion setup by this Gang of West Florida Water supply and Medicaid fraud groups – Copied to Publix, Walt Disney, Coke and Pepsi the same day – Call Jon Iglehart Director who has been trying to help has recent permits after Hurricane IRMA to get FEMA to use our Water for Disaster recovery

- SWFWMD and Peace River Manasota have ignored the General principles of using the best Raw Resources to maintain efficiency and the Public health, Safety and Welfare of Americans for water supply to Homes, Schools and businesses. These Lawyers, Engineers and environmental consultants have lost their grip on common sense and manipulate the system to create Medicine sales without thinking of our People and their Children in growth, just their jobs and salaries.

Title XXIX PUBLIC HEALTH

SECTION 851

Declaration of policy intent.

403.851 Declaration of policy; intent.—It is the policy of the state that the citizens of Florida shall be assured of the availability of safe drinking water. Recognizing that this policy encompasses both environmental and public health aspects, it is the intent of the Legislature to provide a water supply program operated jointly by the department, in a lead-agency role of primary responsibility for the program, and by the Department of Health and its units, including county health departments, in a supportive role with specific duties and responsibilities of its own. Without any relinquishment of Florida's sovereign powers and responsibilities to provide for the public health, public safety, and public welfare of the people of Florida, the Legislature intends:

- (1) To give effect to Pub. L. No. 93-523 promulgated under the commerce clause of the United States Constitution, to the extent that interstate commerce is directly affected.
- (2) To encourage cooperation between federal, state, and local agencies, not only in their enforcement role, but also in their service and assistance roles to city and county elected bodies.
- (3) To provide for safe drinking water at all times throughout the state, with due regard for economic factors and efficiency in government.

History.—s. 2, ch. 77-337; s. 162, ch. 79-400; s. 425, ch. 94-356; s. 164, ch. 99-8.

16. Background on Natural Alkaline spring water to the Region and cancer rates shown by Nobel Peace prize winner Dr. Otto Warburg in 1931. It's trivial to anyone; including children that Alkaline filtered spring water not exposed to Pollution and Hurricanes is FAR healthier and safer than Peace River and these Treated Water supply plants. They lie about Water Resources, their capacity and build falsified Caution area maps when there are ENDLESS rivers of Alkaline spring water deeper below.

*The **Warburg hypothesis** ([/ˈvɑːrbuɜrɡ/](#)), sometimes known as the **Warburg theory of cancer**, postulates that the driver of tumorigenesis is an insufficient cellular respiration caused by *insult* to *mitochondria*.^[1] The term **Warburg effect** in oncology describes the observation that *cancer cells*, and many cells grown *in vitro*, exhibit *glucose fermentation* even when enough *oxygen* is present to properly respire. In other words, instead of fully respiring in the presence of adequate oxygen, cancer cells ferment. The Warburg hypothesis was that the Warburg effect was the *root cause* of cancer. The current*

popular opinion is that cancer cells ferment glucose while keeping up the same level of respiration that was present before the process of [carcinogenesis](#), and thus the Warburg effect would be defined as the observation that cancer cells exhibit glycolysis with lactate production and mitochondrial respiration even in the presence of oxygen.^[2]

Hypothesis[\[edit\]](#)

Warburg's [hypothesis](#) was postulated by the Nobel laureate [Otto Heinrich Warburg](#) in 1924.^[3] He hypothesized that [cancer](#), malignant growth, and [tumor](#) growth are caused by the fact that [tumor](#) cells mainly generate [energy](#) (as e.g., [adenosine triphosphate](#) / ATP) by non-oxidative breakdown of [glucose](#) (a process called [glycolysis](#)). This is in contrast to healthy cells which mainly generate energy from oxidative breakdown of [pyruvate](#). Pyruvate is an end-product of [glycolysis](#), and is [oxidized](#) within the [mitochondria](#). Hence, according to Warburg, [carcinogenesis](#) stems from the lowering of [mitochondrial](#) respiration. Warburg regarded the fundamental difference between normal and cancerous cells to be the ratio of glycolysis to respiration; this observation is also known as the Warburg effect.

Cancer is caused by [mutations](#) and altered gene expression, in a process called [malignant transformation](#), resulting in an uncontrolled growth of cells.^{[4][5]} The metabolic difference observed by Warburg adapts cancer cells to the [hypoxic](#) (oxygen-deficient) conditions inside solid tumors, and results largely from the same mutations in oncogenes and tumor suppressor genes that cause the other abnormal characteristics of cancer cells.^[6] Therefore, the metabolic change observed by Warburg is not so much the cause of cancer, as he claimed, but rather, it is one of the characteristic effects of cancer-causing mutations.

Warburg articulated his hypothesis in a paper entitled *The Prime Cause and Prevention of Cancer* which he presented in lecture at the meeting of the Nobel-Laureates on June 30, 1966 at [Lindau, Lake Constance](#), Germany. In this speech, Warburg presented additional evidence supporting his theory that the elevated [anaerobiosis](#) seen in cancer cells was a consequence of damaged or insufficient respiration. Put in his own words, "the prime cause of cancer is the replacement of the respiration of oxygen in normal body cells by a fermentation of sugar."^[7]

The body often kills damaged cells by [apoptosis](#), a mechanism of self-destruction that involves mitochondria, but this mechanism fails in cancer cells where the mitochondria are shut down. The reactivation of mitochondria in cancer cells restarts their apoptosis program.^[8]

1969 Floridan Well (Earth Coring) dug 1509' deep accessing Oceans beneath the Earth located at my Land at 9438 Daughtrey Road, Sarasota Florida 34266. This Well was hidden and in permit files for SWFWMD for decades

17. See Videos and Conflicts with 72 Partners on our note who also are shareholders for Peace River.

<https://youtu.be/-RjxRLtXuHM?list=PLTpRjyKDXjaxipA7BTAHdMog8tXwR0hgn> Desoto county Rodeo board and Commissioners in conflict with Mosaic Parcel and stole Gilberti plans while Judge Hall relatives and friends on Daughtrey note tied to terrorism acts.

https://youtu.be/7cW3_tagltw?list=PLTpRjyKDXjaxipA7BTAHdMog8tXwR0hgn Cape Coral presentation Feb 2018 just before Marjorie Stoneman Douglas FAKE Shooting while Gilberti kidnapped again after turning in FDEP SRF funding to Marjorie Stoneman Douglas building Tallahassee!

<https://youtu.be/LPQtwW2SHmM?list=PLTpRjyKDXjaxipA7BTAHdMog8tXwR0hgn> Broward School Board presentation on Marjorie Stoneman Douglas FAKE Shooting to steal tax base with cops!

<https://youtu.be/tQm8wflsvR0> Access to Underground river tied to massive Ocean of Alkaline Mineral spring water hidden by SWFWMD and Bush Family for 50yrs! To create Cancers, Diseases, colleges, Wars as these secret access points from tilted platform via meteor impacts are all across Earth.

<https://youtu.be/7SxL5K-dO3I?list=PLTpRjyKDXjaxipA7BTAHdMog8tXwR0hgn> City of North Port presentation with Kids in 2013 just before we realized what we had then Obama and Bush plan Boston Marathon game with Tampa central command to kidnap Gilberti after Rob Stampe give Gov Scott readings who worked on plans and King engineering who is a consultant for Peace River right now hiding this US Resource with SWFWMD staff.

<https://youtu.be/uiAr5pyaZes?list=PLTpRjyKDXjaxipA7BTAHdMog8tXwR0hgn> Sarasota Presentation in Sept 2014 just after Dade county to commissioners still hiding this Resource.

Please call us to clarify additional permits and submittals to over 60 Cities from Tampa to south Florida and ongoing lawsuits as well as our neighbors lawsuits in the US Supreme Court. As well as our coordination with FDEP Director Jon Iglehart who has tried numerous times to help these local cities and County staff people get this Resource to their regions, including a class action case in Ft Myers to the Dunbar Residents similiar to Flint Michigan on Cancer issues in low income areas who can't help themselves created this time from Arsenic sludge. Arsenic at Peace River is the highest in the State and it could be pumping the Healthiest spring water on Earth to million with one pipe connection that should have been

installed by now but Leaders are attacking me, my family and clients to attack Americans, their homes, Schools, Businesses and Hospitals at the Tap.

Sincerely,

/S/ Joe Gilberti
