**PROOF OF SERVICES TO RACKETEERING AND RELATED CASES**

Plaintiff JOSEPH D. GILBERTI, JR., P.E., hereinafter “THE ENGINEER,” an Individual, hereby submits Notarized Proof of Services for Racketeering cases and related cases attached herewith. This proves all Congress, Agencies in Washington DC, Florida and US on both cases got copies of the Water Readings, timed Terrorism acts in US Middle District, Tampa District 13, Sarasota District 12, Broward District 17 and Fort Myers District 20 to subdue the Engineer, his family members with Fake AR-15 games,

emails and shootings, to hide this Resource for Israel Mosaic Phosphate and the Enterprise. If a pro-se litigant, has a US Resource, it seems these served entities took an Oath or have an ethical duty as a Judge, Agency or Leader to simply verify the resource, which is what I asked for in the claim. Southwest Florida Water Management hid this resource for 40yrs with the Enterprise and for some reason Lawyers, Courts and Judges like to see Cancer centers filled with our Children along West Florida vs helping verify the resource? How many families, kids, pets got cancer from polluted Peace River and arsenic ground water resources VERSUS Alkaline spring water with lower water bills. Is this the reason we have courts in West Florida? To attack America's tap and Children for Mosaic mining compacts, Big Pharma and money?

**PROOF OF SERVICES FOR RACKETEERING INVOLVING PARKLAND CASES**

Intervener, JOSEPH GILBERTI P.E., (hereinafter “Engineer”) a Licensed Professional engineer in the State of Florida, pursuant to Florida Rule of Civil Procedure 1.230, and respectfully requests this Honorable Court enter an this Record Racketeering case involving timing using the Smith-Mundt Act to hide a critical US Resource submitted to the Marjory Stoneman Douglas Building 17 days prior to the Shooting where apparently 17 kids were shot and approx 17 wounded who ignored a multi-millions dollar offer by the Engineer at the Broward School Board on March 20, 2018, shown at 3hrs & 18min 54sec on Public record. A motion to intervene with evidence in defense of NICHOLAS CRUZ and as grounds in support issues was submitted last year and this Court took it in as optional evidence for both sides of the case and thereof states as follows:

**WHEREFORE**, Intervener JOSEPH GILBERTI, P.E. this Court: respectfully requests court to submit this evidence as all parties will be added to these cases and to a new Racketeering act being filed in the near future in the Southern District against these lawyers and Leaders

playing Fake Terrorism games with Water supply timing to Tallahassee Majory Stoneman Douglas Building FDEP Funding 17 days prior to shooting, fake AR-15 emails timed with Hillsborough State Attorney on Joe Gilberti and Broward Sheriff Israel with Pam Bondi with Broward State Attorney on Cory Gilberti, where someone shot up Cambridge Security building with an AR-15 and set him up. This court needs to address these cases as many more lawsuits are coming to this Parkland gang of Kids and Teachers hiding Water supply with Leaders and fooling the entire region with fear, hire taxes, cancer rates and lower job growth, while taxing us with Police officers we don't need.
