

**IN THE CIRCUIT COURT OF THE SEVENTEENTH JUDICIAL CIRCUIT IN AND  
FOR BROWARD COUNTY, FLORIDA**

STATE OF FLORIDA  
Plaintiff

**Case No.: 18-001958CF10A**

**JUDGE: ELIZABETH SCHERER**

v.

NICHOLAS CRUZ  
Defendant.

---

**MOTION TO INTERVENE**

Intervener, JOSEPH GILBERTI P.E., a Licensed Professional engineer in the State of Florida, pursuant to Florida Rule of Civil Procedure 1.230, and respectfully requests this Honorable Court enter an Order allowing Joseph Gilberti to intervene as witness with evidence in defense of NICHOLAS CRUZ and as grounds in support thereof states as follows:

1. The Defendant NICHOLAS CRUZ knew of a critical US Resource under attack at Interveners Sarasota Land from Governor Rick Scott, Marco Rubio, multiple Florida Leaders, State Attorney Pam Bondi, Broward Sheriffs office, Broward County Board of County Commissioners, Department of Education and others that is of National Importance to Healthcare and Economics to hundreds of millions of People and the State of Florida residents and was coerced to perform a Fake or partially fake shooting.

2. Public Defenders office knew of the US Resource and conspired with State Attorneys office to hide this US Resource with Parkland Students, Teachers, School board and Florida Leaders in an Agenda to influence election votes, create fear and steal tax base from

Schools for Florida Department of Law Enforcement.

3. NICHOLAS CRUZ does not have the courage or capacity to walk into a School and shoot kids just like the Officers who are afraid to help kids under lawsuits. Hence proof of Wounds, Lie detectors and more must be performed by INTERVENER due to retroactive Terrorist attacks timed with this US Resource in Courts from State and Federal all the way up to the US Supreme court now with more lawsuits by others helping coming into combine and take out the deep state of Attorneys and Department of Justice hiding this US Resource and creating potential FALSE FLAG or FAKE shootings to attack the US Constitution and tax base.

4. The State Attorneys in Broward District 17 and/or NICHOLAS CRUZ knew of the 300mile Pipeline presentation on April 12, 2016 presented on the Broward County Commission agenda as a Delegation Request showing Earth Healthiest Drinking Water to 10million Florida taps, Hospitals and Businesses.

5. State Attorneys, Governor Rick Scott, Florida Leaders and School board knew of Intervener Gilberti's presentation on March 20, 2018 and continue to sue and hide this US Resource with Stoneman Douglas Victims.

6. If Defendant NICHOLAS CRUZ admits in deposition to playing out an Act as Students were preparing all week for, his charges will be lowered to conspiring to steal tax base or something much less than Capital Murder.

7. Motion to Intervene have been filed on Civil Cases against Cruz and President Trump, Obama, Media, EPA and Lawyers ignores this hidden underground Critical in permit US Resource that brings a much HIGHER Level of Service to the Region and lowers cancer Rates, medicine sales, diseases, birth defects and deaths generated from current poor bottled Water and treated Tap water to homes, businesses and Hospitals. Its trivial that natural ready to drink out of the ground Alkaline mineral spring water is healthier than treated arsenic contaminated ground

water or polluted rivers.

8. NICHOLAS CRUZ has known mental issues and can be easily convinced with Police, high power politicians and Violent Video games, Movies, TV to create a potential Staged Act or even a Real Shooting in a massive Political Agenda to take guns and attack America's 2<sup>nd</sup> Amendment rights for a Agenda 21, the Midterm Elections and more. His mental capacity may be easy for him to LIE on TV if he ever even spoke or looked at the camera, which has never been seen to the Public thus far to our knowledge. To date nobody has seen any true gun shots, dying person live and then dead on video, or bullet wounds or real shots entering persons on video.

9. A ongoing staged shooting was being rehearsed all week at the Stoneman Douglas High School and NICHOLAS CRUZ was a perfect fit for a potential FALSE FLAG that could be in so much as a REAL shooting, partial shooting with actors or a total fake shooting.

10. Many kids want to be famous on TV and this could be a massive DRAMA ACT just like our Presidents and leaders pretending they don't know of a 300mile Antioxidant pipeline in permit from FDEP, FDOT, ACOE, EPA, FEMA, over 15 counties and 45+ Cities and presented to multiple commissioners and School Boards from Dade, Broward, Sarasota, Lee, and more. Emails daily to staff, leaders, media and more, who just can see that less expensive Alkaline Spring Water to the Tap lowers Cancer Rates vs Polluted Rivers and Arsenic Ground Water Raw Resources treated with Chemicals?

11. We have proof Boston Bomb was setup to raise Gilberti Bond in Tampa 12 days after Jim Murray of Amps Well Maintenance in Palm Beach performed a Down the Hole Video who has drilled Oil over ¾ of the World for decades and is a Federal known consultant who also works for Palm Beach, Broward, Collier and many other counties to maintain aquifers. He stated they were deleting emails of the screen in front of his eyes at Gilberti—Daughtrey Ranch in

Sarasota on April 3, 2013. He claimed there is no other Water Antioxidant even close on the Planet and this isolated location and resource has Endless Flow capacity and flows to keep pipes full, lower cancer, and ends Water Restrictions, Salt Water intrusion and Sea Rise concerns on Water Supply in South Florida, via Florida North South Water war per National Resource Defense council per Jeb Bush.

12. Victims of the Shooting, their Parents, Broward School Board and Teachers have ignored a \$17million dollar offer on March 20, 2018 by Intervener to show wounds and discuss Violent video games while Gilberti was being processed for a FAKE AR-15 emails by ex public defender on Boston Bomb game in Hillsborough, Chris Shaw, District 13 where Pam Bondi lives and worked for years, who is manipulating courts with High Power Law firms such as Morgan & Morgan, Greenberg Traurig, Foley Lardner, Icard Merrill, Henderson Franklin, Gray Robinson law, Snyder law just to name a few.

13. Intervener needs to depose NICHOLAS CRUZ on said issues and put him on a LIE DETECTOR to ask him if he really shot anyone, was there a rehearsal earlier in the week or if anyone convinced him to Shoot a School or fake a shooting.

14. Intervener needs to depose wounded Children to see if they have real wounds with forensics and determine if they knew of the offer to the School board on March 20, 2018 public record agenda.

15. Gov Scott, Marco Rubio, Candidates in elections, and other Leaders which many of which are attorneys and Judges manipulating State Attorneys offices, FDLE, Police Officers, Universities, School Districts, private lawyers, Hospital Foundations, Hospitals, Doctors, Cities within Broward, Dade, Palm Beach, Collier, Lee, Charlotte, Desoto, Sarasota, Hillsborough, Manatee Counties, Big Pharmacy hedge funders and Media to hide this Resource to steal Medicaid money in a massive Racketeering investigation as related to RAW Water resources for

drinking water, bottled water and medicine production.

16. NICHOLAS CRUZ was cohered through Governor Rick Scott, Florida Leaders, crooked State Attorneys through various Political Agendas with US Leaders, FEMA, Gun Control Activist, Liaisons for Politicians to create a staged Shooting with FAKE Police reports regarding an AR-15 shooting where common grounds to attack Intervener Joseph Gilberti with various cases prior to, during and after with Tampa District 13 to also attack Gun control with FAKE Police Reports and Political agendas, tied to Agenda 21 with Hillsborough Misdemeanor Case 12-CM-011299A, Felony Cases 16CF010976A, 18CF004829A & 18CF005038A timed with Civil cases in Sarasota District 12, Civil Cases 2011 CA 004209 NC, 2015 CA 006544 NC and 2016 CA 000205 NC; Federal Cases with Intervener clients at the US Supreme Courts on Terrorism and this Critical Water Supply under Israel Mosaic Phosphate attack pending from US Middle District Case 9:13-bk-14831 and 11<sup>th</sup> District Court of Appeal Case 15-14544.

17. The Tampa District Cases involve all Attorneys who attacked the land with Deep State Cops, Judges and Lawyers who have been hiding this US Resource with FEMA, EPA, NASA and USGS agencies to keep the Level of Service Water supply very low from poor raw water resources to increase Cancer Rates, Diseases and more from bottled and Tap water to Homes of over half of Florida from Tampa to South Florida.

18. Tampa Misdemeanor Cases involve Greenberg Traurig who Intervener clients fired on land for Conflict of Interest as Dave Weinstein of Greenberg is Chief Council for decades for a massive Phosphate production group destroying and attacking US Aquifers in West Florida from Polk County south to Charlotte Harbor. This massive Group of Lawyers, Cops, Media and consultants with Israel Mosaic Phosphate next to our land in Sarasota-Desoto region where Gilberti ranch is located at 9438 Daughtrey Road, Sarasota Florida 34266 has manipulated Deep State Cops, Attorneys, Judges and Media in the region to attack our Family and subdue this

Resource for foreign groups like Nestle, FPL-Nextra, Monsanto and Mosaic Phosphate.

19. The Felony cases in Tampa involve Gilbert ex public defender Chris Shaw who ran off before trial in a case retroactive with the Boston Marathon explosion where Gilberti was on bond for \$500 and sent a Jog email of FDEP in a Torch Run with Herschel Vinyard and Governor Rick Scott 5hrs prior and suddenly the explosion hits, Gilberti misdemeanor bond jumps to \$300,000 and is surrounded by Secret Service, US Marshals and deep state cops. He was tortured and put in a Hole for months while other Lawyers and Judges attacked his land and client Cecil Daughtrey 2500ac ranch in Sarasota with the known underground Natural Resource since 1969.

20. A simple water test and Health Scan that takes only ONE HOUR can be verified at Gilberti's Ranch will show reading off the chart for health mankind have never seen before. This unique spring water is essentially liquid medicine out of the ground

21. Local Media, Leaders and Agencies are playing this US resource down in courts purposely due to the extreme value and the fact Rothschild Federal Reserve bank is caught with Wall Street Big Parma Hedge funders, Mosaic Phosphate who controls world food, and NASA who hid this 40yrs causing millions of deaths. This site teaches mankind how to find the rest in Days via Gilberti KT Hypothesis of access to Oceans beneath from large meteor impact craters. This site is next to a titled platform from the Yucatan meteor impact or KT event.

22. Timing of NICHOLAS CRUZ'S FAKE Police report was done retroactive with Joseph Gilberti's petition with FDEP Director in Ft Myers, as witness, to FDEP Marjorie Stoneman Douglas building, Tallahassee Florida for the World healthiest water readings tied to Oceans on 17 days after the FDEP State Revolving Fund letter for Inclusion list was mailed out, January 28, 2018. Which would trigger a massive revenue adjustment to huge developers like Lennar, Benderson, Debartolo, WCI homes, Toll Brothers and Hard Rock Seminole Tribe

Casino and Seminole Tribe members who met Gilberti in 2013, who all know of this Resource since 2012 and met with Intervener. This application to FDEP changes TIER moneys in the millions for Water supply developer agreements in priority and much more that affects economic growth and Tax base spending toward their profits.

23. A Massive underground River showing endless Capacity of Alkaline Spring Water with Reading never seen on the planet for Health, Energy production and new medicine.

24. This Marjorie Stoneman Douglas Case Pollack vs Cruz Broward Case 2018-09607 has a Motion to Intervene by Joseph Gilberti pending as the Marjorie Stoneman Douglas shooting was timed exactly 17 days after a Critical World Drinking Water was submitted to FDEP State Revolving Fund on January 28<sup>th</sup> 2018 for a World Medicine changing Resource under Interveners property located at 9438 Daughtrey Road, Sarasota Florida 34266. This site is in US Supreme Courts, Sarasota to Tampa courts for years as part of the Florida North South Water Conflict; currently under Israel-Saudi Arabia Mosaic Phosphate attack working with Health Foundations, Hospitals and Big Pharmacy groups to maintain a massive racketeering operation in Lower Level of Service Water supply.

25. Proof of this critical Water supply which has been in permit for a 300mile Transmission down I-75 since 2012 to lower cancer rates and bring millions of new jobs has been surrounded by Terrorism acts by the US Government and Wall Street corps such as Mosaic ranging from the Boston Bomb Marathon and more. See attachments.

26. With past FDEP emails of Jog Torch run by FDLE in Leon County five hours before the Boston Bomb used to kidnap INTERVENOR with Tampa Dist 13 and Governor Rick Scott, Marco Rubio, Obama, Bill Nelson and more, just to name a few, this case is also part of other cases in the State and Federal system.

27. Sarasota Cases 2015 CA 006544 NC and 2016 CA 000205 NC has the Marjorie

Stoneman Douglas shooting involved. US Federal Cases involving the land next door also include multiple terrorism acts and this shooting which is being reviewed by FBI and US Supreme Court under Daughtrey vs Rivera Trustee. Also Tampa Cases under Joseph Gilberti Jr. show additional information where Pam Bondi and Tampa District 13 Judges filed fake AR-15 emails the week of the Pulse Bar shooting on INTERVENER to time the kidnapping two weeks after the Marjorie Stoneman Douglas offer in 2018 with bond games and hikes.

28. Cory Gilberti, INTEVENERS cousin was set up by Broward Sheriff Scott Israel's and Broward county State Attorneys office with Cambridge Security with a FAKE AR-15 police report that shows Cambridge Security building was shot up by an AR-15 and blame put on him the same time a Fake AR-15 email threat falsified by Chris Shaw was done on INTERVENER in June 2016 showing a massive group tied to FDLE and Florida Leaders, media and more to play games and time subduing their adversaries to hide or control this US and World Drinking water resource for foreign corporations like Mosaic Phosphate, Nestle and Global elite. See Broward Case for Cory Gilberti vs State of Florida Case No. 17002130CF10A.

29. Water Treatment is based on Cancer Rates and millions of People have died from this access to a massive underground Ocean on never seen before Alkaline Mineral Spring Water.

30. Plaintiffs in Civil Actions filed a Complaint for Damages on May 29, 2018 or later after Intervener Gilberti offer of \$17million to show wounds and discuss Violent Video games, TV and Movies with picture of Governor Scott and Gilberti CAD Tech before and after the Boston Marathon explosion retroactive with another FDEP Email or submission copied to Washington, Leaders and Agencies hiding this Critical World and US Resource, was presented to victims of Stoneman Douglas shooting to School Board on March 20, 2018.

31. NICHOLAS CRUZ is looking at life in Prison or worse so INTERVENER cannot

damage him any more on sentencing but potentially show that NOBODY was killed and this whole FALSE FLAG was a setup on a Mentally ill young person who was looking for attention on Television while Students from Drama classes at Stoneman were also convinced that Guns kill people versus People kill People. All in an effort to manipulate votes in the Midterm and upcoming Presidential election and more.

32. Both Parties need to provide proof of timing and events so INTERVENER can be examined, deposed and included discovery pending in many other current State and Federal ongoing tied to this case that affect National Defense, Security and Healthcare as many more of these Secret underground rivers, timed with Terrorist acts or Shootings, in Florida and US Courts, can be found by NASA, EPA and USGS who is hiding them for the ELITE to kill Families at the tap with Cancer Rates, Diseases and Vaccines.

33. Why would any School Board, New Team, Judge, Supreme Court in Washington DC on file now, Commission, Governor, President, Sheriff's office hide a US Resource that helps millions of People or this offer presented to make these kids, parents heroes to America for helping expose this US Resource and lower Water and utility bills, cancer to over 10million Florida Homes, Businesses, Schools, Hospitals and more.

34. If this Critical medicine changing endless US Resource was disclosed by Media and Stoneman Douglas wounded kids millions of Lives could be saved, Civil Servants, Cops and Teachers would get raises and job security from a massive Alkaline housing boom that stabilized Mileage rates.

Broward county 300mile Antioxidant pipeline presentation sent to FDOT Dist 1, 4, 6 in 2014 for permitting.

Broward School Board presentation on Marjorie Stoneman Douglas FAKE Shooting to steal tax base with cops!

<https://youtu.be/LPQtwW2SHmM?list=PLTpRjyKDXjaxipA7BTAHdMog8tXwR0hgn>

Why isn't this AR-15 Broward County Case# 17002130CF10A with Engineer Joe Gilberti's cousin Cory Gilberti, Broward Sheriff Scott Isreal, Obama and Pam Bondi set up with all Florida Leaders?

<https://www.bitchute.com/video/yn8zS4qQkYPT/>

35. Intervener, JOSEPH GILBERT, P.E., have the requisite interest in this case to permit their intervention because the issues they seek to raise are encompassed by the present controversy between the parties to this case. See Union Cent. Life Ins. Co. v. Carlisle, 593 So.2d 505, 507 (Fla. 1992) (Intervention should be permitted where the parties' interests are "of such a direct and immediate character that the intervener will either gain or lose by the direct legal operation and effect of the judgment.") Consequently, intervener JOSEPH GILBERTI P.E., is appropriate party to this case.

36. Leave to intervene shall be given freely when justice so requires and is greatly favored in Florida. See Florida Rules of Civil Procedure 1.230; National Wildlife Fed'n Inc. v. J.T. Glisson, 531 So.2d 996, 997 (Fla. 1<sup>st</sup> DCA 1988) ("Intervention should be liberally allowed."); see also Miracle House Corp. v. Haige, 96 So.2d 417, 418 (Fla. 1957).

37. The granting of this Motion to Intervene will not unduly delay this action or prejudice any of the parties because the action of the intervener's doesn't damage NICHOLAS CRUZ but shows the Court potential corrupt coordination between State Attorneys office in Broward, Sarasota, Lee, Hillsborough and US Middle District without due process has already inextricably linked the interveners to this action.

**WHEREFORE**, Intervener JOSEPH GILBERTI, P.E. this Court: respectfully requests (a) grant this motion to intervene as witness for the defendant and to obtain all files to coordinate a upcoming Racketeering and Class Action lawsuit; (b) direct the Clerk to amend the style in this case to reflect the interventions; and (c) for such other and further relief as the Court deems just and proper.

### **CERTIFICATE OF SERVICE**

**I HEREBY CERTIFY** that a true and correct copy of the **MOTION TO INTERVENE** was furnished to: Office of State Attorney and Mellisa Alice McNeill, Public Defender, Broward County Public Defenders office., 201 S.E. 6th Street, Suite 3872, Fort Lauderdale, Florida 33301-3306 by ECF Filing on this 8th day of **December, 2018**.

Respectfully submitted,

*Joe Gilberti*

**RE: Clean Water Act Notice of Intent to File Suit**

Section 505(a)(2) of the Clean Water Act (CWA) and  
Section 1449(a)(2) of the Safe Drinking Water Act (SDWA)

- Failure to Utilize Higher Level of Service for Raw Water Resources from EPA and Peace River Manasota Water Authority Florida hidden Underground Alkaline Endless Spring Water River and improper use of State Revolving Funds, US Grants to build potential Terror attack above Sky Reserviors (ZIKA Ponds) via RV Griffin Reservior after Hurricane Charlie pursuant to Title 42 U.S.C. to protect the Public Safety and Welfar of US citizens at the Tap of a 4 to 6 County Regional System.
- Harboring known US Terrorist Attacks surrounding this critical medicine changing Unique underground Spring water mixture and Resource and its court docket timing to kidnap engineer Gilberti while attacking his land and his clients land with Florida Dept of Justice and Leaders.

Dear Acting Administrator Wheeler and Region IV Administrator Walker:

LandTech Design Group, Inc. (LDG) hereby gives Notice of Intent to file suit under the both Section 1365 citizen suit (33 U.S.C. §1365) provision of the Clean Water Act (CWA) and the Federal Administrative Procedures Act (APA) (5 U.S.C. Section 701-706) against the U.S. Environmental Protection Agency (EPA), Acting Administrator Andrew Wheeler in his official capacity as EPA Administrator, and against Mary

S. Walker in her official capacity as EPA Regional Administrator for Region IV, for their failure to perform EPA's following non-discretionary duty under Section 303(d) of the CWA and 40 C.F.R. §130.7 and Failure to utilize an available Underground hidden Alkaline Spring Water River known for 40yrs by Southwest Florida Water Management District, EPA officials and staff, Department of Interior, Manatee, Hillsborough, Desoto, Charlotte, Lee, Collier and Sarasota counties for HIGHER LEVEL OF SERVICE Raw Drinking Water Resources to millions of Florida citizens to Lower Cancer Rates in the Region at the Tap. Current FDEP Regulations 62-555 (310) as written pursuant to the EPA Clean Water Act of 1974 and its revisions and additions thereto.

1. Peace River Manasota, Sarasota, Charlotte, Manatee Counties, City of North Port, City of Punta Gorda have hidden this US Resource to fill cancer centers with Medicaid Fraud Gov Scott and a massive Racketeering Act to sell medicine and fill Cancer Centers. Current City of Punta Gorda utilities is expanding a Shell Creek Treatment facility and purposely ignored a Sarasota 2014 transmission permit application submitted by LandTech to connect to the Peace River Manasota Water Supply board owned by Sarasota, Desoto, Charlotte and Manatee county. These counties are stealing medicaid money by pumping a known Arsenic River to millions of Homes and ignoring this Spring Water unique Natural Resource that is not a spring but a massive underground River with Alkaline readings from a Titled platform from the K-T Event. This resource has been flowing for over 65million years and is not leaving or running out. It has the endless capacity and can serve 10million plus homes via a submitted FDOT 300mile Antioxidant spring pipeline from Tampa to Miami from this Source. Phase 1 charges Peace River counties and Fort Myers and Naples with minimum costs to the Region less than Shell Creek WTP expansion. Southwest Florida Water Management District with Governor Rick Scott has attacked Engineer Gilberti land with local Mosaic Phosphate attorneys Greenberg Traurig and a slough of medicaid Fraud Racketeering groups tied to US Middle District, Tampa District 13, Sarasota District 12 and Lee county District 20.
2. EPA has a duty to come to Gilberti Ranch and test this US Resource under attack by Local Leaders and Developers hiding it to fill Cancer Centers with Lower Level of Service Raw Water Resources falling the the Intent of the Clean Water Act and using 50 States of Grant money to build RV Griffin Reservoir with Southwest Florida Water management District, FDEP SRF Funding, State Revolving Funds, State Cooperative funding to keep Cancer rising, stealing Grants for 50c13 Cancer Research at USF Moffit and other Universities across America in within a massive west Florida to south

Florida Cancer cluster that ignores Raw Water Quality resources such as this 2000ft deep underground River in the Rocks showing a pH=7.49, Chlorides at 206mg/l, Calcium at 114mg/l, Magnesium at 78mg/l ready to drink Spring Water tied to a underground ocean. As a Professional Engineer for over 15yrs we ask the EPA and its consultants to come to our land, as will provide access to test this never seen on Earth Water Quality, perform pump report test and see the massive natural Frack past 1100 feet that yield tremendous flows that eliminate Water shortage issues, lowers water bills, cancer rates and provides enormous Sustainability to the Region.

3. EPA has a Duty to inspect this Unique wonder of the World that shows Mankind how to find the rest hidden across America, such as near Flint Michigan, the Tri-State Florida Water War in Alabama-Georgia region and even near Washinton DC at the Chesapeake impact crater.
4. A large \$500 million reservoir (RV Griffin) was installed and a 20mile 42-inch Water main by Southwest Florida Water Management (SWFWMD), Peace River Manasota Water Supply Authority (PRMWA) stole 50 states of Grant money by to hide a secret underground Alkaline River tied to an Ocean under Joe Gilberti's land and Cecil Daughtrey lands with unlimited Cancer slowing ready to drink Spring Water after Hurricane Charlie. Southwest Florida Water Management and Sarasota county gave Florida Forever Trust funds to Longino, Carlton and Walton Ranches along the this improvement who also have known of this secret underground River as these families have grown up for generations together and the Well accessing the Secret isolated river was dug in 1969 and had a WUP with SWFWMD for since 2001. These SWFWMD Reservoirs like RV Griffin are essentially high maintenance ZIKA PONDS that we have permit plans showing to convert these potential Water supply terror attacks to a Power plant with our endless underground spring water resource, engineering plans and connection. This Reservoir extorted American Tax money for Power corps in the area like FPL, Duke Energy and PRECO while creating cancer clusters, death of Americans at the Tap to millions and a potential and above sky terror attack from Pesticide Planes at the Reservoir hidden in a Swamp of Trees where low flying planes and drones cannot be detected. See FEMA Stafford Act 6.11.
5. A simple Water health scan and pump report can verify this World Drinking Water resource in a few hours which eliminates billions of Tax dollars being wasted by SWFWMD, West Florida County commissioners, Peace river Manasota and Florida Forever Trust funds building these Poor Water Supply systems from Poor Water supply resources pursuant to FDEP 62-555 (310)

- 6 All plans and regional permit petitions have been ready for approval and obtained by FDEP director Jon Iglehart in Fort Myers Florida. Application fees of \$10,300 cleared by FDEP in November 2013 with Brian Dietz P.E.; these permits were transferred to FDEP Fort Myers Florida December 31, 2013. Resubmitted was done again after hurricane Irma where FPL, Duke, and all Florida leaders, SWFWMD, and EPA purposely hid the resource with to put Americans at risk.
  - a. Engineer Gilberti is in litigation with a group called 72 Partners LLC in Sarasota county which includes five men named, Thomas Howze, Lee Pallardy, Kenny Harrison, Laurence Hall and Spenser Hall. Kenny Harrison owns Harrison Cattle LLC which leases land from SWFWMD at the RV Griffin Parcel where the RV Griffin Reservoir was built to steal \$500million from 50 States after Hurricane Charlie and hide this Resource to serve it to Mosaic Phosphate who is destroying Aquifers with the help of these groups included in this Lawsuit. This is a Racketeering operation to sell medicine as when taking a shower a liter soaks into the body hence driving home values down and cancer rates and water bill up in the region using POOR Raw Water resources.
- 7 The Supreme Court has been filed by Cecil Daughtrey on a barrage of Terrorism acts timed with Tampa District 12, Lee county District 20 as well as Sarasota District 12 lawsuits and kidnapping of engineer Gilberti with falsified police reports by Mosaic Phosphate chief council who was fired on our Property due to Mining compact conflicts on our land holding a SWFWMD mining permit from 2009 with phosphate in the dirt in the Mosaic Phosphate District of Sarasota county.
- 8 This resource under our land hidden by the SWFWMD, Peace River and West Coast engineers, leaders and Media shows underground formations and knowledge that millions more exist across the Earth, to help other US States and other nations.
- 9 Israel Mosaic Phosphate next to our land Nestle, Coke, Pepsi, Disney and all hospitals hid this U.S. resource to the tap with Tampa to Ft Myers Agencies, Engineers, EPA for 40 years to sell medicine and kill people with cancer, diseases, and a low level of service (LOS) in drinking rain water resources. The well was dug in 1969.
- 10 See FDEP Revolving fund to Marjorie Stoneman Douglas Building in Tallahassee 1-28-2018 then suddenly a Parkland Marjorie Stoneman Douglas High School shooting or terror attack 17 days later with 17 shot

and 17 wounded and our engineer was kidnapped by Tampa District 13 again to stall our permitting and investment groups or run them off?

- 11 A class action and RICO is at hand on hiding Critical US Drinking water supply resources and medicine tied to a massive Medicaid fraud operation by leaders, developers and Hospital foundations in Florida. This needs to be forwarded by all parties to Washington State Attorneys office to investigate the aforementioned immediately and put on US media to find more issues of agencies, their lawyers and engineers purposely hiding Raw Alkaline spring water resources that never end in flow and capacity.
- 12 President Trump, Congress and Media must take action on these critical issues and this unique resource hidden by Hospitals stealing Medicaid from Lower level of Service Water Supply, Colleges and Universities, Agencies, Department of Justice, EPA, NASA and US media.
- 13 Indicators show SWFWMD, West Florida Leaders, Tampa Bay Water, Peace River Manasota Water supply, Israel Mosaic Phosphate, Rothschild IMF World Bank, and Federal Reserve central banks hid this Resource for over 40yrs to create cancer clusters and Wars as this site shows Mankind how to find many more access points to this Underground Ocean of Unique Spring Water ready to drink right out of the Ground.
- 14 Public Service commission complaints on FPL, Duke Energy and more were filed in 2012 by others PSC Complaints 05400-13 and 02424-13 with Gilberti Water supply documents attached at the same time Duke and Progress Energy were assessing \$1.5billion to clean up a STILL EMITTING Nuclear Power plant in Crystal River which are the Headwaters of Hillsborough River pumping 65MGD of Radioactive Water to the Tampa Region to fill Moffitt cancer centers and USF Cancer Grants. Very similar to Radioactive mining spill by Mosaic Phosphate during 2011 Fort Meade Case when Gilberti and Daughtrey fired Dave Weinstein of Greenberg Traurig due to conflicts as he was on that case, our lands, and we have a Phosphate mining permit and a deep Floridan well, the two essentials for a Fertilizer plant. Now Desoto where Peace River Water plant is working Horse Prairie which was traded as a settlement in the Fort Meade Case. Mosaic was after our site timed with their RV Griffin improvements! They would have never opened it; they would just sell medicine and create more cancer centers with Medicaid Fraud Gov Scott.

*Administrative Law Judge J. Lawrence Johnston will conduct a hearing to consider the environmental effects and any other appropriate matters regarding whether to approve the site certification of the proposed Progress Energy Florida, Levy Nuclear Plant Units 1 and 2, application for site certification number PA08-51, DOAH Case number 08-2727EPP, DEP Office of General Counsel Case Number 08-1621, pursuant to the Florida Electrical Power Plant Siting Act, Sections 403.501-.518, Florida Statutes. ...*

**Meeting:** hearing

**Contact:** Mr. Michael P. Halpin, P.E., Marjory Stoneman Douglas Building, 3900 Commonwealth Boulevard, M.S. 48, Tallahassee, Florida 32399-3000, (850)245-2007.

- 15 The Administrative Law Judge can order (daily) multiple lab tests and verify the resource with our experts, such as Jim Murray in Palm Beach Florida of AMPS Aquifer maintenance who performed a DTH video showing higher benefits as we drill deeper.
- 16 After this discovery of a massive underground ocean from a Meteor impact crater verified by Oil consultants, suddenly Tampa Dist 13 kidnapped engineer Gilberti for 300days on Boston Marathon explosion day 4-15-2013 after sending a Jog email of Leaders and FDEP with Hershel Vineyard of Foley Lardner and Gov Rick Scott running in a Torch run 5hrs earlier on file in Tampa and Sarasota Courts. See LandTech Design Group vs 72 Partners Inc. All in an effort to hide this Secret Underground Ocean from THE PEOPLE and their home taps and tax Americans with unnecessary Reservoirs to sell medicine as Tap Water is based on Cancer Rates. Alkaline Natural Spring water with lower water bills eliminates the need for Rivers, Reservoirs and huge lawsuits and loafing like this case at hand.

Rob Stampe is being deposed who worked on Gilberti plans married into the Sam Walton family (Wal-Mart) and is taking pictures with Gov Scott two different times to testify on all said issues of Corruption against THE US PEOPLE on this Water Supply!

This FDEP Email was sent 5hrs before the Boston Bomb and suddenly Gilberti is kidnapped by Pam Bondi and Obama in District 13 with Judge Dominquez and Judge Conrad with Mark Ober and a slew of State Attorneys and Public Defenders

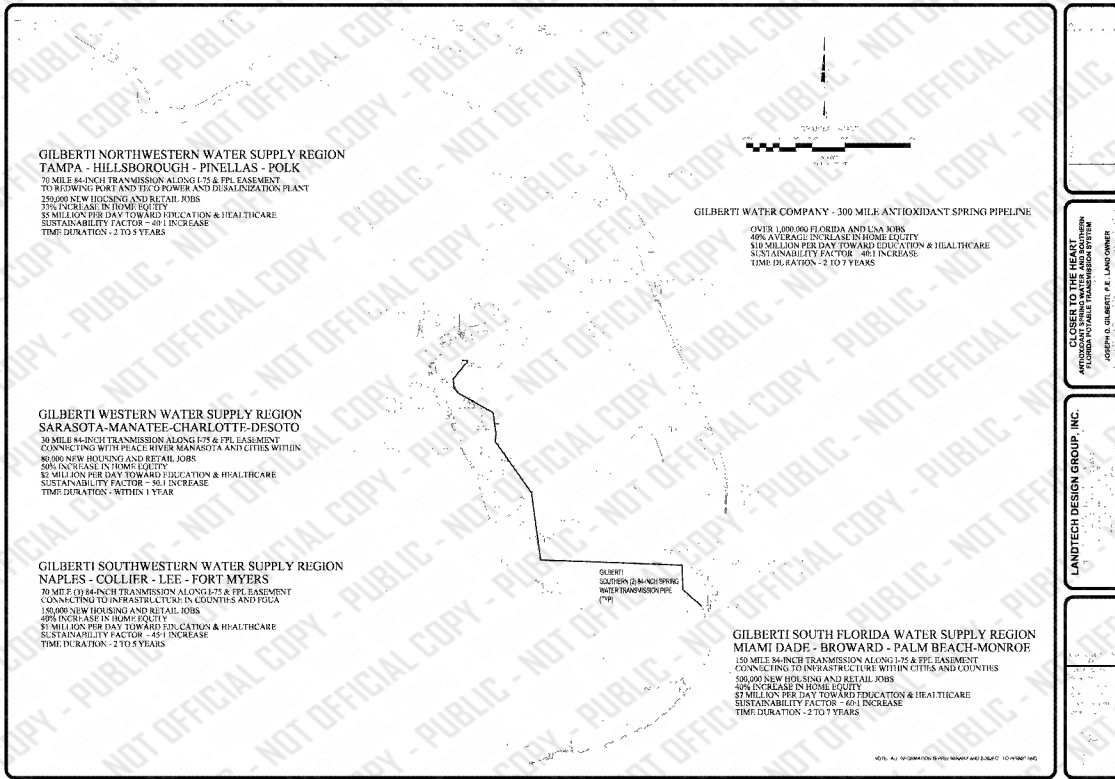

Gilberti Blue Gold –“The People’s Water”

### GILBERTI K-T HYPOTHESIS

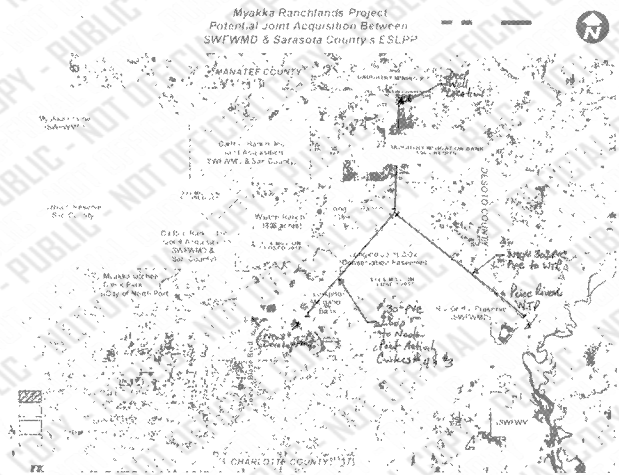

Yucatan Meteor Impact or K-T Event tilts Florida Platforms accessing Alkaline Spring Water Oceans beneath the Earth hidden 40yrs for Eugenicis.

**300-mile Antioxidant pipeline solves Florida North South Water Conflict submitted to FDOT in 2014 on file**

Local Peace River Manasota Water Supply Infrastructure adjacent to Daughtrey and Gilberti Lands used ELAPP in Sarasota, Peace River Manasota Water Supply Authority, SWFWMD and Florida Forever Trust Funds with Carlton, Walton and Longino to hide this Resource and build unnecessary RV Griffin Reservoir on this Map

Certified Mail receipts for permit for Filtration plant submitted to FDEP Sarasota Brian Dietz, P.E. then transferred to Ft Myers FDEP as Gilberti was kidnapped during Boston bomb explosion setup by this Gang of West Florida Water supply and Medicaid fraud groups – Copied to Publix, Walt Disney, Coke and Pepsi the same day – Call Jon Iglehart Director who has been trying to help has recent permits after Hurricane IRMA to get FEMA to use our Water for Disaster recovery

17. SWFWMD and Peace River Manasota have ignored the General principles of using the best Raw Resources to maintain efficiency and the Public health, Safety and Welfare of Americans for water supply to Homes, Schools and businesses. These Lawyers, Engineers and environmental consultants have lost their grip on common sense and manipulate the system to create Medicine sales without thinking of our People and their Children in growth, just their jobs and salaries.

Title XXIX PUBLIC HEALTH  
Chapter 403 ENVIRONMENTAL CONTROL

**SECTION 851**

**Declaration of policy intent.**

**403.851 Declaration of policy; intent.**—It is the policy of the state that the citizens of Florida shall be assured of the availability of safe drinking water. Recognizing that this policy encompasses both environmental and public health aspects, it is the intent of the Legislature to provide a water supply program operated jointly by the department, in a lead-agency role of primary responsibility for the program, and by the Department of Health and its units, including county health departments, in a supportive role with specific duties and responsibilities of its own. Without any relinquishment of Florida's sovereign powers and responsibilities to provide for the public health, public safety, and public welfare of the people of Florida, the Legislature intends:

- (1) To give effect to Pub. L. No. 93-523 promulgated under the commerce clause of the United States Constitution, to the extent that interstate commerce is directly affected.
- (2) To encourage cooperation between federal, state, and local agencies, not only in their enforcement role, but also in their service and assistance roles to city and county elected bodies.
- (3) To provide for safe drinking water at all times throughout the state, with due regard for economic factors and efficiency in government.

**History.**—s. 2, ch. 77-337; s. 162, ch. 79-400; s. 425, ch. 94-356; s. 164, ch. 99-8.

18. Background on Natural Alkaline spring water to the Region and cancer rates shown by Nobel Peace prize winner Dr. Otto Warburg in 1931. It's trivial to anyone; including children that Alkaline filtered spring water not exposed to Pollution and Hurricanes is FAR healthier and safer than Peace River and these Treated Water supply plants. They lie about Water Resources, their capacity and build falsified Caution area maps when there are ENDLESS rivers of Alkaline spring water deeper below.

*The **Warburg hypothesis** ([/ˈvɑːrbuɜrɡ/](#)), sometimes known as the **Warburg theory of cancer**, postulates that the driver of tumorigenesis is an insufficient cellular respiration caused by insult to mitochondria.<sup>[1]</sup> The term Warburg effect in oncology describes the observation that cancer cells, and many cells grown in vitro, exhibit glucose fermentation even when enough oxygen is present to properly respire. In other words, instead of fully respiring in the presence of adequate oxygen, cancer cells ferment. The*

Warburg hypothesis was that the Warburg effect was the root cause of cancer. The current popular opinion is that cancer cells ferment glucose while keeping up the same level of respiration that was present before the process of carcinogenesis, and thus the Warburg effect would be defined as the observation that cancer cells exhibit glycolysis with lactate production and mitochondrial respiration even in the presence of oxygen.<sup>[2]</sup>

#### Hypothesis/edit/

---

Warburg's hypothesis was postulated by the Nobel laureate Otto Heinrich Warburg in 1924.<sup>[3]</sup> He hypothesized that cancer, malignant growth, and tumor growth are caused by the fact that tumor cells mainly generate energy (as e.g., adenosine triphosphate / ATP) by non-oxidative breakdown of glucose (a process called glycolysis). This is in contrast to healthy cells which mainly generate energy from oxidative breakdown of pyruvate. Pyruvate is an end-product of glycolysis, and is oxidized within the mitochondria. Hence, according to Warburg, carcinogenesis stems from the lowering of mitochondrial respiration. Warburg regarded the fundamental difference between normal and cancerous cells to be the ratio of glycolysis to respiration; this observation is also known as the Warburg effect.

Cancer is caused by mutations and altered gene expression, in a process called malignant transformation, resulting in an uncontrolled growth of cells.<sup>[4][5]</sup> The metabolic difference observed by Warburg adapts cancer cells to the hypoxic (oxygen-deficient) conditions inside solid tumors, and results largely from the same mutations in oncogenes and tumor suppressor genes that cause the other abnormal characteristics of cancer cells.<sup>[6]</sup> Therefore, the metabolic change observed by Warburg is not so much the cause of cancer, as he claimed, but rather, it is one of the characteristic effects of cancer-causing mutations.

Warburg articulated his hypothesis in a paper entitled The Prime Cause and Prevention of Cancer which he presented in lecture at the meeting of the Nobel-Laureates on June 30, 1966 at Lindau, Lake Constance, Germany. In this speech, Warburg presented additional evidence supporting his theory that the elevated anaerobiosis seen in cancer cells was a consequence of damaged or insufficient respiration. Put in his own words, "the prime cause of cancer is the replacement of the respiration of oxygen in normal body cells by a fermentation of sugar."<sup>[7]</sup>

The body often kills damaged cells by apoptosis, a mechanism of self-destruction that involves mitochondria, but this mechanism fails in cancer cells where the mitochondria are shut down. The reactivation of mitochondria in cancer cells restarts their apoptosis program.<sup>[8]</sup>

1969 Floridan Well (Earth Coring) dug 1509' deep accessing Oceans beneath the Earth located at my Land at 9438 Daughtrey Road, Sarasota Florida 34266. This Well was hidden and in permit files for SWFWMD for decades
