

**TAX DOCUMENTATION WAIVER
FOR BUSINESS EXPENSES/RECEIPTS
TAX YEAR 2025**

Date: _____

I _____ declare that all business income and expenses for my business _____ are accurate to the best of my knowledge. I will not hold Kim's Personal Tax Service responsible for any discrepancy in reporting the income earned, cash or other; or the expenses claimed on my 2025 income tax for business purposes. All income is reported as per my records, and expenses from the receipts or records provided.

I commit to keeping all income and expense records and receipts for at least 5 years in case there are any questions from the Internal Revenue Service where they would request proof of documentation.

I have written documentation to prove all income and expenses that I am reporting on my Individual income tax return as far as all is concerned.

Kim's Personal Tax Service will keep the required records used to prepare my taxes, but the physical receipts for my business will be my responsibility.

If there is an error on the part of the Tax Preparer, Kim Perkins, it will be corrected promptly at no charge. If the error is on my part, and the tax return has to be Amended for some reason, I agree to compensate for the error to be corrected.

NOTE: If you have a side business and are not claiming the income you will be responsible if the IRS suspects you have a business and are not reporting it. My job is to take your word for it and report what you give to me. You might want to rethink it if you are not claiming money you are making on the side if it is over \$600.

Also, if you are paying your workers cash you cannot claim the deduction, you need to have proof of payment, whether it be a check, or a receipt for cash (signed by the worker), or proof of venmo or other.
