SCHOOL READINESS AND SOCIAL SKILL GROUP WITH POLYPLAY THERAPY HUB

GROWING TOGETHER: SOCIAL SKILLS & SCHOOL READINESS GROUPS

Social Skills Group

Our Social Skills Group offers a safe, playful space for children to practise sharing, turn-taking, flexible thinking, and connecting with peers. Through guided play and group activities, children build confidence, emotional regulation, and social understanding at their own pace, while feeling supported and included.

School Readiness Group

Our School Readiness Group supports children to feel confident and capable as they prepare for school. Using play-based, developmentally appropriate activities, we focus on emotional readiness, independence, listening skills, transitions, and peer interaction — helping children step into school feeling secure and ready to learn.
