Our first-ever Christian Girls Rock event in 2022, at the historic Lincoln Theatre, was a huge success. Last year, our efforts expanded to Christian Youth Rock, where we invited young men to participate in all the fashion Show, entertainment, and vendors. We will continue our commitment to planning a joyous and memorable occasion for our Christian community throughout the state of Ohio's beloved event will remain admission free. However, we will need sponsors to make that happen. Thus, we are humbly asking for your financial support and presence at this grand event.
