1. About Us

The Classic and Specialist Car Broker Ltd (“we”, “our”, or “us”) is a company incorporated and registered in Scotland. We specialise in the acquisition, sale, and brokerage of classic, vintage, and specialist motor vehicles for private and professional clients worldwide.

We may introduce clients to authorised motor dealers and regulated finance providers to assist with vehicle purchases. However, we are not authorised or regulated by the Financial Conduct Authority (FCA) and do not provide financial advice or arrange regulated credit agreements.

All financial introductions are made solely for authenticity, transparency, and verification purposes—not for income generation or commission.

2. Our Services

We act as an independent intermediary, introducing clients to vetted dealers, collectors, and finance providers within our international network. We do not provide recommendations or financial product advice.

Our process operates under strict international legal frameworks, including:

- The Consumer Rights Act 2015 (UK).
- EU Consumer Directives (2011/83/EU and 2005/29/EC).
- The UN Convention on Contracts for the International Sale of Goods (CISG, 1980) where applicable.
- GDPR/UK GDPR data protection requirements.

We also issue a Letter of Initial Engagement / IDD under these standards to reinforce authenticity and accountability in every transaction. Offering funding options on vehicles we represent is part of this framework — designed not for profit, but to enhance transparency, verify authenticity, and protect all parties.

3. How We Are Paid

We do not receive any payment, commission, or financial benefit from finance providers for introducing clients or offering funding. Funding is provided solely to support authenticity, transparency, and buyer confidence—not as a source of income.

We may occasionally receive a standard introduction fee or benefit from vehicle dealers when introductions lead to a successful purchase. The amount or basis of any such remuneration may vary depending on the provider or transaction.

Clients are entitled to request full details of any remuneration received in connection with their introduction.

4. Regulatory Status

The Classic and Specialist Car Broker Ltd is not authorised or regulated by the FCA and does not carry out regulated credit-broking activities.

If we introduce you to a finance provider:

- The provider will be FCA-authorised and regulated.
- They are solely responsible for ensuring your agreement complies with UK consumer credit laws.
- All credit agreements are entered into directly between you and the finance provider.

This document is issued in the interests of transparency and good practice and does not constitute a regulated disclosure under FCA rules.

5. Terms and Conditions

6. Vehicle Supplier and Product Issues

We work exclusively with reputable, verified dealerships and suppliers, but we do not own or control any vehicle stock.

We are not responsible for mechanical, cosmetic, or specification issues discovered after purchase. All post-purchase disputes, warranty claims, or product issues must be directed to the supplying dealer or manufacturer.

Where appropriate, we may assist by liaising with relevant parties to help achieve a satisfactory resolution.

7. Complaints

We aim to handle all complaints fairly, consistently, and promptly.

Complaints should be submitted by email or post using the contact details provided above.

- If a complaint involves a dealer or finance provider, we will assist where appropriate to help reach a resolution.
