VINEYARDS

Vineyard Associate

We are looking for a dynamic, talented and energetic individual to be a seasonal or part time associate in vineyard operations. The successful candidate will enjoy working outdoors and be mechanically oriented. Duties will range from pruning, tying and planting vines, installation of posts and wires, and tractor work such as mowing. This is a great opportunity for anyone wanting to work in the vineyard end of the wine business on a full or part time bases. Work days and hours are flexible during daytime. This is a seasonal position for Spring/Summer that could extend depending on the skills and aptitude of the individual.

About our Winery

Arrowhead Spring Vineyards is located in the Niagara Escarpment, AVA just outside of Lockport, NY. Arrowhead Spring Vineyards maintains the philosophy that great wine starts in the vineyards. Cluster thinning, leaf removal, shoot thinning and balanced pruning all lead to grapes that are balanced, flavorful and optimized for winemaking. Traditional wine making methods are employed to create wine reflective of our cool terroir, with minimal intervention. We produce wines from our estate Pinot Noir, Merlot, Cabernet Sauvignon, Cabernet Franc, Syrah, Chardonnay, and Tempranillo, as well as grapes purchased from local producers. Our wines reflect the thoughtfully chosen soils and climates from which they emanate. We respect our surroundings, maintain good stewardship of the land, uphold our commitment to the principles of sustainable farming and seek a deeper understanding of the natural living systems around us, while creating a delicious product.
