Sisters for Health empowers girls of color to take control of their health www.sistersforhealth.org sisforhealth@gmail.com

Join My Sister's Story Book Club for middle school girls!

Read about black and brown women and girls around the world and throughout time, and see how their stories are all about you too.

- Monthly after-school meetings
- Weekly Instagram challenges
- Related community service activities

My sister's story is my story. Let's talk about it.
