Change is Beautiful

A SEASON OF PURPOSE

FROM THE PASTOR'S DESK

October reminds us that change is beautiful. As the seasons turn, the trees exchange their summer green for brilliant shades of gold, orange, red, and crimson. October reveals that every season has purpose and beauty.

In much the same way, pastoral leadership is a blessing that unfolds through seasons. For three years, Pastor and People have journeyed together in faith, love, service, and growth.

This October, **#iChoose** to celebrate the God-given gift of Pastors and clergy. Those called to shepherd, encourage, teach, and lead God's people.

As October points us toward harvest, may we remember that every season of faithfulness has a purpose. Let us continue to sow in faith, serve with love, and trust God's timing. If we do not lose hope, we will reap a spiritual harvest in due season!
