The Church of Faith, The Church of Better!

Mountain Spring

From the Desk of Pastor Moses:

October ushers in the last quarter of the year, when reflection is often engaged. Have I accomplished my desired goals for the year 2024? What things have I left undone? With approximately 90 days left in the year, have I done what God required? These questions are often asked by those who take seriously their discipleship. Self-evaluation is vital. Seeing ourselves for who we are is essential to spiritual growth and maturity. It's easy to become critical of others, especially when they do not do the things we think they should be doing. Be mindful to consider ourselves, our biases, our personal perceptions, and the unrealistic expectations we project onto others. Are we holding others to standards we fail to live up to ourselves? Understanding ourselves and our role in the Kingdom of God will help us finish the year strong. In this 4th quarter of the year, strive to be a better disciple, Christian, and person. Why should we do this, you ask?... Because WE ARE THE CHURCH OF FAITH, THE CHURCH OF BETTER!

We are grateful for Pastor Moses's unwavering pastoral care. It's easy to overlook the fact that our pastor is also a student, juggling studies and leading our congregation. We value his active involvement in our community and state. We are also thankful for all the ministers that God has brought to us here at Mountain Spring. As we progress through this month, let's take a moment to show our love and appreciation for Pastor Moses and the other ministers. Please join us in praying for God to give them the strength to carry out His will.

Deacon T.C. Spear, Chairman

We want to express our heartfelt thanks to everyone who reached out to help our church family and other individuals in the community affected by Hurricane Helene. Some people were without power for more than seven days, and during this time, many individuals offered their generators, food, and homes to help others. We are incredibly grateful for the overwhelming support and kindness shown during this challenging time. It's heartwarming to see everyone coming together to assist those in need. Let's continue to support each other and spread the love of God and compassion in our church and community.
