The Church of Faith, The Church of Better!

Mountain Spring

From the Desk of Pastor Moses:

It is often stated that we are living in unprecedented times. Police brutality to Black and Brown people is still happening. The price of gas and the price of groceries remain high, and inflation continues to affect our every day lives. We are certainly living in a hostile political climate with an important election looming in a matter of weeks. These are challenging times, but not unfamiliar times. As a people, we have been through tough times before. Our resilience testifies to the faith that we have in the God of our weary years and the God of our silent tears. We have come over a way that with tears have been watered, and we will continue to make it because God is on our side. However, we cannot become weary in doing and become complacent. We must do something. In this month of September, you can do something by making sure you vote early. You can do something by ensuring your family members and your neighbors are registered to vote. You can do something by making sure people have a ride to the voting booth and they know the correct location to cast their votes. Remember, there is always something to do. We are the Church of Faith, the Church of Better!
