

THE GALETTA TRIBUNE
March 2025

Family Fun Day

We held our first family fun day this past Feb 23rd and it was a blast. The City of Ottawa crews came in unexpectedly and piled all the snow in the parking lot into one huge mountain in the corner of the lot. Now when you are only a three foot tall tot and you see a 30 foot mountain of snow your first instinct is to go climb that mountain and that's exactly what every kid did making their feet move as fast as possible up the mountain side to the top, every mom at the bottom waiting in nervous anticipation and every dad beaming because "that's my kid up there!" Soon enough parents were able to rope in their kids and the crowd on the snow mountain thinned as families started to enjoy the activities on the rink and devour the hot dogs, which by the way were kindly donated by CANDICE AND MARK FROM ARNPRIOR NO FRILLS. (Good folks that know how important it is to support their community and a huge thank you goes out to them).

Congratulations and thank you to Leah, Emily, Rachel, Morgan, Sue and Terry and all the other volunteers for putting on a whiz bang afternoon of entertainment and fun for the whole family.

Treasurer Required

We find ourselves in desperate straits as we require a new treasurer. Our present treasurer Peter S has decided after two plus years to pack it in and take a well deserved break from being treasurer. Anyone who has attended any of our functions will have seen Peter volunteering doing whatever was required of him and at six foot four he's kinda hard to miss. So Peter for all your hard work taking care of the treasurer's portfolio and your years of service we luv ya and we thank you.

If you or you know of anyone who enjoys crunching numbers, putting up with bureaucratic nonsense, putting up with me and differentiating the myriad ways people can write their ones, sevens, and nines then you're the person for us.

(Looking this over I am not doing a very good job of selling this position now am I?)

Pancake Breakfast Encore

That's right folks, the date is fast approaching when we will be doing another pancake breakfast. April the 6th starting at 10 AM till 1PM you can come on down and feast on two pancakes, scrambled eggs, bacon and sausage, fruit and beverage all for the low low price of just \$10 and remember kids under 12 eat for free.

There you have it folks, the perfect opportunity to come on down and enjoy a good breakfast with good friends and a good cup of joe (coffee).

Rummage Sale

Mark this date on your calendars, October 18th till the 20th we will be holding the award winning Great Galetta Rummage Sale one more time. Before you throw out that pile of junk just remember to us it's treasure so bring it all over and stow it away in the garden shed behind the garage and let us put it to good use.

Rentals

Our little venue is becoming quite the hot spot and the rental calendar tends to get busy sometimes. We just finished up a stint where we had 11 events in a two week period so things were really hopping around here. Don't let that scare you off because this doesn't happen all the time and we will do whatever we can to accommodate you.

It's quick, it's easy just give Barb (she's my sweetie) a call at 613 797 8957 and she will fix you right up.

So there you have another edition put to bed and not once did we mention the name of our nemesis from south of the border.

Good news and thank you for your support. At our last meeting it was decided to keep The Tribune delivered to all the households in Galetta for a further six months.

Till next time with thanks,
Norm
