

Angels on Patrol is Turning 15!

It's with immense joy and gratitude that we announce the 15th anniversary of our beloved nonprofit! As we reflect on this incredible journey, we are filled with excitement, honor, and a profound sense of accomplishment for the impact we've made together. We are incredibly blessed!!

Fifteen years ago, Lt. Jacqui MacConnell embarked on a mission to be a direct resource for officers as they worked with families in crisis and at-risk youth, striving to make our communities safer and families stronger. Since then, your unwavering support has blessed us and fueled our efforts in assisting youth and families, providing a helping hand when they needed it most.

Through the years, we've witnessed countless stories of resilience and hope. Our success is a testament to the dedication of our (current and past) staff and board members, the generosity of our donors, and the strength of the communities and law enforcement departments we serve.

Angels on Patrol received an incredible **428** requests from law enforcement officers in 2023. These requests translated into meaningful assistance for **2,352** individuals, comprising of **620** adults and **1,732** youth. Since our founding, AoP has touched the lives of an astounding **22,160** individuals, a testament to our unwavering commitment to making a positive impact in our community through law enforcement officers.

To mark this significant milestone, we are planning a series of celebratory events throughout the year. These will not only honor our past achievements, but also inspire us to reach even greater heights in the future. We invite you to join us in commemorating this special time and to continue being a vital part of our journey.

One way you can join us, is by assisting us in securing monthly donors. Please tell your family, friends and colleagues about us and consider contributing \$15 a month, in honor of our 15 years of serving police and community.

Our deepest gratitude to everyone who has played a role in making Angels on Patrol what it is today. Cheers to 15 years of partnering with you and law enforcement, and to the countless lives we will touch together in the years to come!

With deep gratitude,
Melinda Cadena
Executive Director

SUPPORTING OFFICERS 24/7/365 DAYS A YEAR

Responding to a shots-fired call, officers uncovered a situation that required more than just routine policing. The suspect broke into someone's back patio and left behind a trail of significant damage to the gate. AMAZING Phoenix Police Department officers went above and beyond the call of duty for this victim. Using AoPs funds, they took it upon themselves to fix the damaged gate!

This heartwarming moment with Officer Newport, from Phoenix Police Department's Desert Horizon Precinct, truly captured the spirit of giving and community driven policing.

The officer learned that these two sweet girls were wishing they would get a bike for Christmas, so she made it happen.

Their three radiant smiles are why we do what we do!

What an emotional, heartfelt morning filled with tears and lots of hugs! We had the honor of meeting three brothers who tragically lost their parents and home. Glendale PD officers reached out to us for assistance and we provided several outfits and other basic needs.

A special shout-out to La Gran Bota for stepping in and donating jackets! The K2 Adventures Foundation also contributed by providing the family with \$400 in grocery cards.

A School Resource Officer's request, "Asking for 3 monthly bus passes so a high school student doesn't have to walk to summer school and football practice during the hot summer months. The mother just suffered an eye injury and cannot drive, and the family is suffering from financial hardship."

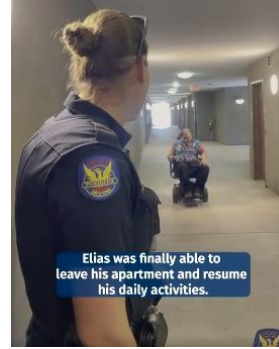

AoP purchased bus passes, football cleats, clothes and hygiene items for the family. Also provided were \$500 worth of grocery gift cards donated by the K2 Adventures Foundation.

This call was for an 11-month-old found wandering alone.

The officers discovered this was due to the lack of a baby gate in the home. Taking proactive measures, our After Hours Card came to the rescue and enabled the officers to acquire a safety gate and other essential items to ensure the child's safety and prevent another incident in the future.

We LOVE how we're able to help officers go above and beyond the call!!

Elias went to a thrift store to purchase reading glasses. His wheelchair would not fit through the door, so he left it outside. It was stolen within minutes! He could barely walk without it, so the Officer asked if AoP would help him.

With grant support from the BHHS Legacy Foundation, we secured him a motorized wheelchair. He hadn't left his room since the theft occurred and went for a long ride after we delivered it to him.

Take Flight Golf Classic Tournament

With the support from our sponsors, especially our Presenting Sponsor, QuikTrip, the Take Flight Golf Classic tournament was a HUGE success!

The raised funds provide us a means to continue serving the community through direct requests from on-duty officers.

We are grateful to the golfers, Dobson Ranch, raffle item donors, our Golf Chair Stefani Gombar, and all who made this a fun and profitable day.

The tournament sells out early, so mark your calendar and save the date for December 6th.

Registration and Sponsorship opportunities will open in February.
