## Annual SRO Backpack Drive

With the incredible support of community volunteers and donors, we proudly filled a total of 811 backpacks with essential school supplies.

These carefully prepared backpacks went to the capable hands of School Resource Officers from 8 different police agencies across the Valley and the officers distributed them out to kids in need at their schools.

## Angels on Kili Fundraiser

Two Police Chiefs, a Lieutenant, a Detective and a civilian traveled to Africa and climbed Mt. Kilimanjaro on behalf of AoP!

Climbing Mt. Kilimanjaro is a tremendous opportunity to provide a well needed mental health break for officers, as well as the opportunity of a lifetime for anyone that chooses to go.

We are doing it again in July 2024.

JOIN US!! Choose between Mt. Kilimanjaro and Machu Picchu.

See flyer below for more information.

## SUPPORTING OFFICERS 24/7/365 DAYS A YEAR

This caring Phoenix Police Officer placed a request asking AoP to assist a disabled gentleman in need of a heater.

He called 911 as he was afraid of enduring another evening without heat. We could not find any heaters in stock, so we opted for two electric blankets as a back up, while a longer term solution was secured.

An officer placed a request for the provision of an 11-month-old baby's most basic needs.

Angels on Patrol went to Walmart and purchased essential necessities as well as a baby blanket and a stuffed bunny!

Due to K2 Adventures generous in-kind donations, we were able to provide the family with \$300 worth of grocery gift cards as well.

A pregnant mother, with three children under three, was kicked out by the children's father because he "no longer wanted anything to do with them". They were new to Arizona, so they had no one to turn to for the night.

The young mother told AoP she has family in another state and wished to go back to them. AoP purchased groceries for the road, supplied a \$500 gas card, and ensured they had a

motel room to sleep in during the multiple day road trip.

"Asking for 3 monthly bus passes so a high school student doesn't have to walk to summer school and football practice during the hot summer months. The mother just suffered an eye injury and cannot drive, and the family is suffering from financial hardship."

AoP purchased bus passes, new football cleats, athletic clothes, and hygiene items for the family. We also provided the family with \$500 worth of grocery gift cards.

Elias went to a thrift store to purchase reading glasses. His wheelchair would not fit through the door, so he left it outside. It was stolen within minutes! He could barely walk without it, so the Officer asked if AoP could help him.

With grant support from the BHHS Legacy Foundation, we secured him a motorized wheelchair. He hadn't left his room since the theft occurred and went for a long "ride" after we delivered it to him.

This call was for an 11-month -old found wandering alone.

The officers discovered this was due to the lack of a baby gate in the home. Taking proactive measures, our After Hours Card came to the rescue and enabled the officers to acquire a safety gate and other essential items to ensure the child's safety and prevent similar incidents in the future.

We LOVE how we're able to help officers go above and beyond the call!!
