Changing Lives

Angels on Patrol (AoP) provides **Youth Enrichment and police officer-initiated support to community members in times of crisis**. Police officers are changing lives, one family at a time; and AoP is proud to be a direct resource to officers as they provide enrichment opportunities for at-risk youth and help stabilize children and families in crisis!

Impacting the Community

Since 2009, AoP has assisted 14,437 individuals, supporting our Vision Statement **To Support Law Enforcement by Enhancing Quality of Life For The Community**.

In 2018, AoP proudly served **2,272** at-risk youth and families in crisis by assisting police officers serving the communities most vulnerable by ensuring their safety and basic needs were met. AoP stabilizes then connects those in need with community resources, homeless and domestic violence shelters, housing and workforce connections, and youth enrichment opportunities.

Angels on Patrol's work is done through direct requests by on duty police officers. Assisting officers go above and beyond the call as they engage and enhance the community.
