### **Angels on Patrol is Holding a Charity Golf Tournament - Take Flight Golf Classic**

Goal: Raise critical funds to serve the community through direct requests from law enforcement officers

(Phoenix, AZ)

Angels on Patrol (AoP) is holding a charity golf tournament, Take Flight Golf Classic, on Friday December 17, 2021, at Grand Canyon University's Championship Golf Course. The tournament's Presenting Sponsor is Shooter's World of Arizona. The tournament will bring together supporters of the community and law enforcement, with the goal of enjoying a fun round of golf, while raising critical funds for Angels on Patrol.

"Shooter's World works to help Angels on Patrol, because not only are they local, but they're a one of a kind organization, working to help families and allowing police officers to give back past their call of duty. Since we are a business that works closely with law enforcement, we know the sacrifice that these men and women do for us. The fact that Angels on Patrol sees that too, is why they are the number one charity we give to most every year." Paige Roux, Shooter's World's Sr. Firearms Instructor Training Coordinator.

#### **About Angels on Patrol**

Angels on Patrol (AoP) is one of 21,137 non-profit organizations based in Arizona. Founded in 2009, by Phoenix Police Lt. Jacqui MacConnell, to be a direct resource for on-duty police officers. As an officer, Lt. MacConnell understands the barriers officers face while working to stabilize families in crisis. Officers are daily reaching into their own pockets as they assist victims of crime, domestic violence victims, families in crisis, and youth from at-risk communities. Angels on Patrol provides officers an opportunity to help above and beyond their duty.

What differentiates Angels on Patrol from the rest? AoP is the only non-profit organization serving the community through direct requests from law enforcement officers. Angels on Patrol has touched over 17,000 lives since its inception. The numbers continue to rise. From 2019 through November 2021, Angels on Patrol received 771 requests from officers, serving 4,795 individuals, during that time period.

Angels on Patrol currently serves 13 law enforcement agencies across the Valley and Maricopa County.

The unique service Angels on Patrol provides is critical for the community's most vulnerable, and for law enforcement officers, as they daily encounter people in crisis and in need of an immediate solution.
