because of  
your support

*As of July 1, 2021*

OVER 17,700 COMMUNITY  
MEMBERS REACHED  
THROUGH POLICE OFFICERS

When Lt. Jacqui MacConnell founded Angels on Patrol in 2009, she never imagined the impact her passion would produce. Her goal was to help the community's most vulnerable through police officers. She wanted officers to have a direct and immediate resource, so that officers may go above and beyond their sworn duty, without having to reach into their own pocket to do so. Most importantly, Jacqui wanted to help officers make their community better, stronger, and safer.

Jacqui has a HUGE heart! She cares for those around her, friends and strangers alike. Through her passion and vision, over 17,700 at-risk youth and individuals in crisis have been touched.

Jacqui's passion for those in need continues to grow and her dedication in ensuring victims of abuse and assault, youth from at-risk communities, and all in need, have access to safety and basic needs like food, clothing and shelter.

Angels on Patrol continues to grow across Arizona, serving 12 law enforcement agencies. Requests continue to increase yearly as well. In 2020, 237 requests were received, compared to 7 in 2010.

We hope you are as proud of our success as Jacqui, the Board, and staff are. None of this would have been possible without the generous support received from individuals, businesses and foundations like yourself.

We are forever grateful to you, and hope you will continue to be a part of our blessed journey!

## Achievements to Report from 2020

Crises don't solely occur when businesses and resources are open Monday - Friday from 8am-5pm. Officers working the night and weekend shift continued to hit road blocks and found themselves paying for items to help those they encountered. Because of this, AoP implemented the **After Hours Program**. A Visa card is now securely housed and available for officers to utilize when they encounter a crisis situation that can not wait. This program has been amazing!

Through the After Hours Program, Officers have helped victims find safety after an attack, have purchased clothing for rape victims, going as far as purchasing a flight so a victim and her children may finally have the opportunity to find safety and leave the abuse behind. Angels on Patrol is proud to offer 24/7 support to officers.

Another important achievement to report is that Angels on Patrol remained open and continued to serve the community in 2020. Not allowing the many difficulties COVID-19 presented, nor allowing it to interfere with our critical **mission of providing officer-initiated support to community members in times of crisis**.

## 154 Requests to Date in 2021 - Examples:

From the City of Mesa Police Department: Found a child wandering around an apartment complex. Request from Officer: Mother and daughter are in need of a place to stay and food.

From the Phoenix Police Department: 911 call for service regarding subject passed out in vehicle with a 2 yr old. Request from Officer: Assist with housing and/or food/diapers for child & mother.

From the Peoria Police Dept: Argument between male and female in the parking lot. The male then left in the female's car and left her stranded. Request from Officer: Transport her back to Tempe.

## Join Angels on Patrol for the Take Flight Golf Classic on Friday, December 17th!

This fundraiser is critical so Angels on Patrol may continue saying "YES" to all incoming requests in 2022. Your participation will help ensure officers do not reach into their own pocket while going above and beyond for those they encounter in crisis. We are in need of golf foursomes and sponsors.

Because of you  
1000'S ARE SAFE

**This strong, beautiful teenager was a victim of horrible abuse. She and her mother had the courage to report the assault, which led to them becoming homeless. The Detective working with the family submitted a request, and because of you, we had the funds to house them and ensure their safety.**
