

Angels on PATROL

TO PROVIDE OFFICER-INITIATED SUPPORT TO COMMUNITY MEMBERS IN TIMES OF CRISIS

JANUARY 2022 | QUARTERLY NEWSLETTER

Take Flight Golf Classic

Like many, AoP had to overcome obstacles due to the economy and negative affects of COVID.

We have a goal of **never** denying an officers request, due to a limitation in funding. To meet that goal and ensure 100% of the requests are honored in 2022, we held - Take Flight Golf Classic.

We are excited to share \$23K was raised! We're still a ways from fully funding 2022, but continue to be blessed with the ability of helping the community through direct requests from law enforcement officers.

Thank you to the players, sponsors, volunteers, and our presenting sponsor - **Shooter's World** <https://www.shootersworldonline.com> - for making the tournament a huge success!

2021 YEAR IN REVIEW

324 requests were submitted from on-duty law enforcement officers in 2021. Through them, Angels on Patrol (AoP) served 1,094 individuals (388 adults - 706 youth). Since our inception in 2009, Angels on Patrol has served 18,871 individuals. We continue to grow, and now serve 13 law enforcement departments across the Valley. Our growth has only been possible because of you!

We thank you for believing in us and seeing what we do, that Angels on Patrol is a critical resource for law enforcement officers and the community they serve. We carry on with no red tape, no wait-list, and continue to be 100% officer vetted. Angels on Patrol is the only non-profit offering a direct resource for on-duty officers. Through AoP, officers avoid the need of reaching into their own pocket, or worse, having to drive away wishing they could have done more.

After Hours Angels Program

The After Hours Angels Program continues to save lives!

Officers face unique barriers on holidays, weekends and middle of the night; when no resources are available. To overcome this, AoP has made Visa cards available for departments we work with and their officers have access to these cards.

Through the After Hours Program, officers have helped victims find safety after an attack, purchased food, diapers, clothing for rape victims, and flights so victims and their children may have the opportunity to be safe and leave abuse behind.

Emergencies don't just happen between 8am-5pm on M-F.

Angels on Patrol is proud to offer officers 24/7/365 support.

ANGELS ON PATROL HAS RECEIVED 2 REQUESTS THIS LABOR DAY WEEKEND, FROM OFFICERS ASKING US TO HELP DOMESTIC VIOLENCE VICTIMS ESCAPE THEIR DANGEROUS SITUATION. WE'RE HERE FOR THEM AND THE COMMUNITY THEY PROUDLY SERVE 365 DAYS A YEAR.

Acts of Kindness

Officers' "small" acts of kindness mean the world to those who receive them.

The officer pictured on the left placed a request for AoP to replace the victim's wheelchair after she was attacked and robbed.

The two officers on the right, asked AoP to purchase formula and diapers after learning a young struggling mother didn't have the means to feed her baby.

These examples offer a small glimpse to what officers do daily for their community.

2021 SPONSORS

Grateful for the financial support we receive. Angels on Patrol would not be able to provide assistance to the community through law enforcement officers without the generosity of others. It truly takes a community to serve.

Recognizing and honoring officers that go above and beyond their official duty is important to us. Many times officers tell us, "It's just part of the job". But, we know that giving strangers money, purchasing them food, motel stays, clothing, etc., are acts that should be celebrated and applauded. This is why in 2021, we created the "Angel of the Month" award. We receive many heart wrenching and heartwarming requests where officers actions awe us, that choosing just one officer a month has been difficult but an honor.

The "Angel of the Month", is presented with a certificate, basket of AoP merchandise, and the request is shared with their squad and leadership team. Want to thank an officer yourself? Purchase an "Appreciation Token" from our online store and give to an officer as a thank you!

COMMUNITY SERVING COMMUNITY

The four ladies on the left, not only play a critical role for Angels on Patrol, but also exemplify our community and what it takes to run a successful non-profit organization.

We have a community coordinator, donor, executor, and visionary. All with equal passion, but with very unique and critical roles required to effectively serve the needs of our community and officers.

What role do you see yourself playing for Angels on Patrol? Whichever one it is, know it is valued and appreciated. It takes a strong, passionate community to successfully serve, and Angels on Patrol is blessed to be embraced by so many supporting us. Join us!
