

FAB Friday Enrichment Programming 2022-23

LCA Fab Fridays provide the perfect opportunity for your student to receive extra academic support, as well as participate in fun and exciting enrichment classes. Fab Fridays are purchased as full days, 9 am - 2 pm, at a *discounted* rate for the whole year or by semester. Every Friday of the school year is a Fab Friday, except for weeks designated as LCA vacations or breaks, or Skate Days (Please refer to the school calendar.) They are available to currently enrolled LCA students, as well as other homeschool families in our area.

2022-23 Fab Friday full year cost: \$1000 (25 dates)

Fall Semester (11 dates): 8/26, 9/2, 9/9, 9/30, 10/7, 10/14, 10/28, 11/4, 11/11, 12/2, 12/9

Fall semester only cost: \$500

Spring Semester (14 dates): 1/13, 1/27, 2/3, 2/10, 2/24, 3/3, 3/10, 3/24, 3/31, 4/7, 4/14, 4/28, 5/5, 5/12 **Spring semester only cost: \$630**

Registration is \$50 per á la carte class (not to exceed \$150), and Fab Friday enrollment is \$150. (These registration fees do not apply to students already enrolled at LCA for core academic classes.) **Fab Fridays begin August 26th, 2022.**

One hour of Study Hall is included on Fridays, but is also regularly available from 2-3 pm and 3-4 pm on Tuesdays and Thursdays. If your student needs more Study Hall time, please speak with the Director. Individual tutoring is available in various subject areas for an additional fee and at varying times, subject to each teacher's availability. Please speak with your child's teacher or Director for more information. A la carte enrichment classes are also available on Fab Fridays at a semester or full-year rate per class. More information will become available as the new school year approaches.

We are still in the process of finalizing the schedule and course selections for 2022-23, but here are our current possibilities:

Physical Fitness and Gym Games - Fitness and personal discipline, skill-building, and good, old-fashioned fun in the gym

Study Hall / Snack - Time to study, work on assignments, read, develop skills, etc.

Arts & Crafts - Students will work on projects to sell at LCA's Community Sale later this year

Sewing/Crochet/Origami - Ages 12 & up

Babysitting Course 1 & 2

Lunch Prep - Kids learn to make food and clean up. (Food supply fee will apply.)

Music / Singing / Bible Quiz - Increase Bible skills through drills, songs, and activities

STEM Activities / Science Experiments & Lessons

Robotics Day Camps & Self-Directed Robotics Work

Computer Lab - Typing, Word, Excel, Powerpoint training & activities
