

High School Course Selection 2022-2023

Student Name: _____ **Grade:** _____

The following credit requirements are based on the Texas state requirements for a high school diploma. The state of Texas does not require that courses be taken in any particular order; however, some courses may have prerequisite knowledge (i.e., math). If a specific course is required by the state (i.e., U.S. History), it is listed in bold. The courses in the chart are offered at LCA; see the course catalog for specific course descriptions. Not all courses will be offered every year; course offerings will depend on enrollment. Minimum enrollment in each class is 5 students. LCA might agree to offer the class with a slight fee increase, to be shared by each participating student's family, if minimum enrollment is not met.

Instructions:

1. Be sure to put your student's name and grade at the top of the page.
2. Cross out classes that your student has already successfully completed.
3. Circle classes that you would like your student to take this school year.
4. If your student needs more than one course in a particular subject, please write the school year that you would prefer your student to take each class (i.e., 2019/2020, 20/21). This will help with planning future course offerings.

History 3 credits required	World History OR World Geography	U.S. History	Government (1/2 credit)	Economics (1/2 credit)
English 4 credits required	English I (World lit)	English II (World lit)	English III (American lit)	English IV (British lit)
Science 3 credits required	Biology	Physical Science	Chemistry	Physics
Math 3 credits required	Algebra I	Geometry	Algebra II	Advanced Math
Foreign Language 2 credits of same language required*	Spanish I	Spanish II		
Electives 7 credits required	Physical Education (1 credit)	Fine Arts (1 credit) <i>*See director for when classes are offered.</i>	Speech	

*Please note that in some instances, a student may be able to substitute other credits for the Language Other Than English requirement. This exemption applies to students who are not likely to be able to successfully complete the two required credits due to a learning disability/difference per Texas Education Agency rules.
