Lewis (Modern period) 			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • Literature anthology and long works are available for lease or may be purchased separately. • All students require a journal (composition book or single subject spiral). • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Physical Science	14-18 High School	TBD		
Course Description:	This is a year long course. The class will include textbook work and labs. In this study of Physical Science, you'll be introduced to the stunning world you live in, as well as the universe around it. From the composition of air to icebergs to astrophysics, you will receive thorough lessons in each element of the physical world.			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • The lab fee of \$20 covers consumable materials used for labs. • Textbooks are available for lease or may be purchased separately. • All students require a science notebook (composition book or single subject spiral). • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Biology	14-18 High School	TBD		
Course Description:	This is a year long course. The class will include textbook work and labs. This course includes sixteen modules cover cell life, genetics, creation science as an alternative to evolution, ecology, insects, plants, reptiles, mammals, and more. We will also complete lab work with microscopes and dissections.			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • The lab fee of \$20 covers consumable materials (i.e., dissection specimens) used for labs. • Textbooks are available for lease or may be purchased separately. • All students require a science notebook (composition book or single subject spiral). • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Chemistry	15-18 Grades 10-12	TBD		
Course Description:	<p>This is a year long course. The class will include textbook work and labs. We will address the basics of chemistry including measurement & units, atoms & molecules, atomic structure, molecular structure, polyatomic ions and molecular geometry, stoichiometry, acid-base chemistry, thermodynamics, kinetics, chemical equilibrium, and more.</p> <p><i>Prerequisites: Students must be proficient at an Algebra math level.</i></p>			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • The lab fee of \$20 covers consumable materials (i.e., chemicals) used for labs. • Textbooks are available for lease or may be purchased separately. • All students require a science notebook (composition book or single subject spiral). • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Physics	15-18 Grades 10-12	TBD		
Course Description:	<p>This is a year long course. The class will include textbook work and labs. The format of our course will be units of study in the following areas of physics: Motion, Energy, Thermodynamics, Sound, Light, Electricity and Magnetism, Engineering and Robotics, and Nuclear Physics.</p> <p><i>Prerequisites: Students must be proficient at an Algebra math level.</i></p>			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • The lab fee of \$20 covers consumable materials (i.e., wire, batteries) used for labs. • Textbooks are available for lease or may be purchased separately. • A student workbook must be purchased for use in this class: <i>Physics for the Logic Stage: Student Guide</i> (Paige Hudson). • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Algebra	14-18 8th Grade, High School	TBD		
Course Description:	This is a year long course. The format of our course will be daily lessons that build on previous work. The textbook is <i>Algebra I</i> (Saxon Publishers), Third Edition. <i>Prerequisites: Students must be proficient at a pre-algebra level.</i>			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • Textbooks are available for lease or may be purchased separately. • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Geometry	15-18 Grades 10-12	A. Mehall		
Course Description:	This is a year long course. The format of our course will be fourteen chapters of study including sets, lines, planes, shapes, area, volume, transformations, symmetry, similarity, and proofs. The textbook is <i>Geometry for Christian Schools</i> , 2nd Edition (BJU Press). <i>Prerequisites: Students must be proficient at a pre-algebra level.</i>			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • Textbooks are available for lease or may be purchased separately. • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Algebra II	15-18 Grades 10-12	TBD		
Course Description:	<p>This is a year long course. The format of our course will be daily lessons that build on previous work including mathematical expressions and equations, solving for variables, polynomials, exponents, roots, irrational numbers, absolute value, and other advanced concepts.. The textbook is <i>Algebra II: An Incremental Development</i>, Third Edition (Saxon Publishers).</p> <p><i>Prerequisites: Students must be proficient at algebra and geometry levels.</i></p>			
Additional Supplies and Costs:	<ul style="list-style-type: none"> • Textbooks are available for lease or may be purchased separately. • All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
Speech	14-18 High School	TBD		
Course Description:	This is a year long course. This class will focus on the art and skill of public speaking. Most of us, at one time or another, will have to speak in public: presenting information in the work place, toasting a best friend's marriage, eulogizing a loved one, and sharing our faith. This class focuses on several aspects of public speaking: the voice, the body, and the content. We will practice all of these elements in a variety of speaking situations: speaking to inform, speaking to persuade, speaking in special situations, and participating in debate.			
Additional Supplies and Costs:	<ul style="list-style-type: none"> All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.) 			

Course	Age Grade Level	Instructor	Day/Time	Tuition
CLEP Prep	16-18 Grades 11-12	TBD		
Course Description:	The CLEP Prep options at Legacy will assist students in preparing for College Level Examination Program or CLEP tests. CLEP tests can help you earn "credit by examination," meaning that you earn college credit if you earn the score required by the school you attend or will be attending. One of the main advantages of this option is that you can save time and money by earning credit for some classes without having to actually pay for and take the class at school. This elective class will be very much student-centered and led. You and your parents will choose the CLEP test or tests that you will prepare to take. Study plans will be individually customized to you based on your strengths and needs in the particular subject you are studying.			
Additional Supplies and Costs:	<ul style="list-style-type: none"> REA CLEP Test Preparation book(s) for the test or tests that you are interested in taking. The CollegeBoard test fee. Many testing centers also have a small fee. All students should have a three ring binder with pocket dividers, pens, pencils, notebook paper, and highlighter. (See LCA supply list for high school.)
