

HEARTS AND HANDS OF HEROES

Feb 25th Anniversary!

We want to honor and celebrate Gerta and Michaëlle and how graciously they have given their lives to the many children they have raised in the orphanage. They have lovingly welcomed countless babies, children, young men, women, and mothers into their arms to care for them as their own. We are so thankful to be a part of their ministry and support them as they have given their lives to this cause! To share in the celebration, some of the Hearts and Hands Board will be taking a special trip down during the anniversary, March 26. We are all looking forward to celebrating, as well as collaborating in person about the visions and dreams for the foreseeable future! We are thrilled to get to be with them on such a momentous occasion!

That being said, whenever we send a team down, we do our best to load up on all the needs and essentials, as these are tangible items we can bless them with! If you, your church, workplace, or anyone you know is able to contribute any of the items on the list to the right, please let us know so we can collect them to bring down to Haiti! Not able to help with donating physical supplies, but would like to give toward these needs financially? Please click this link, or donate through our website for TRIP!

Join The Team!

Always wondered who we are? Currently, our Board is 100% visional, as well as operational. We are all volunteers, and are looking to diversify and build our team. Please contact us if you are interested in learning more about us, and how YOU can get involved on one of our teams! We are looking for people who have experience, skills, and/or the hearts for these specific types of committees or programs:

- Finance committee
- Education committee
- Sponsorship committee
- Mentorship program
- Outreach
- Medical missions

As we continue to grow in our ministry/mission we need more hands and hearts to reach out! Would you consider deepening your involvement?

Fundraise

Looking for an easy way to help Haiti? Start a **"Facebook Birthday Fundraiser"** for Hearts and Hands of Heroes! Do you use Amazon Prime? Please consider setting your browser to **"Amazon SMILE"** instead, which is the SAME, but Amazon will give a percentage of ALL your purchases to Hearts and Hands! We have received hundreds of dollars already from sponsors taking this very simple step! Lastly, we have our annual **Marathon Classic Golf Fundraiser July 9-12**. If you would like to volunteer your time working at concessions with the Hearts and Hands Board, let us know! Any and all ideas for fundraising events are welcomed and appreciated!

Do you know someone who would be interested in Sponsorship?

We need immediate sponsors!

Is God opening the door to your heart to sponsor another child or do you feel led to share this with your church or someone you know? We are in need of immediate education sponsors for \$36/month, as well as more general funding for the orphanage and school! This support would help with miscellaneous costs such as fuel, sanitary pads, hygiene, clothing, school supplies and field trips, that are not included in the food and education sponsorships, but are always needed.

Maylie

This month we were able to raise money for an emergency fund to help a family that serves the kids in the orphanage, and Michaelle & Gerta. Their 11 month old daughter, Maylie, is being treated for malaria, a severe respiratory infection, and two different parasites. She has had febrile seizures and her body is continuing to fight off so much. Please partner with us to pray for her, as she was transferred to a hospital in Port au Prince for better care. Thank you to all who have so generously donated to help the family! If you would like to help the family with care expenses please click on the link below to donate for Maylie. We appreciate your generous hearts to financially and prayerfully give.

Cheers

TO THE BLESSINGS

Some of the children desperately needed eye exam check-ups. They were experiencing headaches and blurry vision, which then caused problems with their studies. Thankfully, because of your generous support, we were able to provide eye exams and glasses for several children this month that were in need of check-ups!

Thank you for filling this need!
