HOLIDAYS IN HAITI

Christmas is coming quick, and we need your help to continue Hearts & Hands' joyful tradition of giving the kids at FEP and the surrounding community a very merry Christmas! Every year, we supply the children with a couple of gifts, as well as a holiday dinner and party, which we ask sponsors to consider a donation of \$40 for the child, family, or missionary you support. Any and all donations are appreciated and will go a long way in making Christmas special for our friends in Haiti, although we know this year has been tough on so many. Along with gifts for the children, we are raising money for a Christmas food basket for each of our community families! Any money raised beyond these sponsorships will be used for shipping costs. We are, as always, humbled that God has chosen Hearts and Hands to serve His beloved people in Haiti, and grateful that you, our sponsors, entrust us to carry out that mission. Please follow the link below if you wish to give!

UPDATES FROM THE BOARD

Things in Haiti have been going well these past few months. Thankfully, our Haitian family and friends have been safe from the Covid-19 virus, and while precautions are still being taken, things are slowly and safely getting back to normal. That being said, school has continued and the kids are working extra hard to be caught up and excelling in their studies! The holiday season always brings a lot of business, so our missionaries, Ashley and Oriana, along with the other teachers at Providence Academy, have been working extra hard to keep everything and everybody on track.

Unfortunately, however, Oriana has been sick the past few weeks. After some testing in Haiti, she had been advised to come back to the States to get extra medical care and attention. Rest assured, she is not ill from Covid-19 and after some treatment here in the U.S. she is doing much better. She is eager to get back to Haiti, and we ask that you would please be in prayer with us over her health, travels, and ministry.

Thank you for your continued prayers and support through Hearts and Hands! We pray that God would continue to bless you and bless the ministry He has in Haiti! From us to you, we hope that you have a safe and happy holiday season!
