Employee of the Quarter Kevin Foster

As an employer, when you find an employee like Kevin Foster, you consider yourself very lucky.

Kevin has been with us since 2015 and has perfect attendance! He

completes every task on time and never has to be asked twice. We could go on and on, but what we really want to convey is that Kevin is a true asset not only to our Lawn Care Division but also to the entire Wright Contracting Team! Rock on, Kevin!

Randy's Thought of the Quarter

It's time to get ready for Spring and Summer. Here are a few tips for maintenance on your home. Spray your garage door springs with a dry garage door lube as well as your chain on the opener. Clean the sensor lights.

Clean your window tracks and apply a dry silicone.

Don't worry about things you are not in control of. Save your money like you never have before. If you don't drink – start. If you don't work – don't start. You should be getting another stimulus check soon!

John Hehman has retired. He will be working on projects at home. He will also be working in ministry, helping people in KY counties to have food on their tables.

John will be greatly missed here at Wright.
