

## 2021 Third Quarter Newsletter

**Tyson Keller**

**Employee of the Quarter**

Tyson is one of our newest members of the Arrowhead Team! He enjoys playing cornhole, hunting, fishing, and loves sports especially football and basketball. He played football from age 6 to 18. Tyson was MVP once, defensive player of the year twice and nominated for three all-star teams throughout his career. He has expressed interest in coaching football one day but for now, he's focused on work and counting down the days until he is 21. He enjoys his work at Wright Contracting Services, Inc. and is an asset to us.

## Customer Reviews!

I wanted to take a second and tell you what a fantastic job your guys have done on my building. I just pulled back into the shop and am just so pleased every time I see it. Your guys do such quality work and really went above and beyond with this job. Randy your decision on adding the blue to the office really just sets everything off. I have received so many compliments on how the building just pops now.

I have seen firsthand through the years what kind of finish product Wright Contracting turns out but when it is your own building it's just a little different. For years we have always wanted to make this building look like something and you have made it into something I am very proud of.

Thank you both for everything you do for me and Gateway, it means the world!

Wright Contracting did a full remodel of an existing building for our bank. The project came in ahead of schedule and under budget allowing us to open for business earlier than anticipated. Throughout the project I was impressed with the professionalism of the people and the quality of work with an eye to every detail. Communication was excellent. Wright Contracting and Randy Reno's team exceeded my high expectations with quality work and service. I give them my highest recommendation! Thank you, Randy and your team, for creating a beautiful office for our banking services!

## Randy's Thought of the Quarter

Football season is here, summer is almost gone, and Christmas is just around the corner. A shot is coming your way soon and possibly several more.

Afghanistan has fallen, things are happening as fast as we can imagine. Moral of the story; Just root for the Chiefs and the St. Louis Cardinals who are in the wild card playoff game on 10/6/2021.
