

Employee of the Quarter

Yaunce Alexander served various roles in the Marine Corps for ten years. After returning from overseas, he worked in deep sea construction and welding, participating and managing small construction projects off the coast of the Southern United States. His management career took him to corporate America where he continued to learn the industry. Yaunce sought a change of pace with a desire for local impact. Wright Contracting matched Yaunce's values, providing customers with the best service at a fair price. He lives in Northern Kentucky with his wife Kourtney and their three kids, Kaleb, Hedda and Kaito (not shown).

INSTRUCTIONS

Preheat oven to 375 degrees. Grease a 2-quart baking dish with butter. Set aside.
In a large skillet over medium heat, add the breakfast sausage. Sauté the sausage and onion, breaking the sausage up. Continue cooking for 8-10 minutes. The sausage should be browned and cooked through. Remove from pan to a bowl and set aside. In a large bowl, whisk the eggs until combined. Whisk in the milk, baking powder, salt and pepper until thoroughly combined. Stir in the cooked sausage, onion, and cheddar cheese. Pour the mixture into the prepared baking dish. Bake for 25 to 30 minutes or until the center is just set.
