

Wright Contracting Services has grown and flourished over these 30 years. So much so that we have added another business that is new but already well established and doing great!

The Waters Edge Event Center is a great new venue in Warsaw KY, that is just one more of Randy's dreams that he made come true!

We have a loyal team of employees, some of whom have been with us for many years, and some who are still learning. We are thankful for each one who brings their talents to the table every day. We also thank each one of our subcontractors, suppliers, and our very loyal customers without whom we wouldn't be where we are today.

Thanks to all who have helped us grow!
Randy and Julie

MVP 2025!

Pam Jeannet has been with us for 17 years. She maintains our computers and software as well as our website and other graphics for advertising, including the quarterly newsletter. She also processes the summer lawn care invoices and many other tasks as they arise.

We celebrated with Julie's Mom on her 90th birthday this quarter!

Julie's brother, Rob Homan, passed away in December. Pray for this family please.

Greetings.

Welcome to Flight#2026.

We are prepared to take off into the New Year. Please make sure your attitude and blessings are secured and locked in an upright position. All self-destructive devices should be turned off at this time. All negativity, hurt, and discouragement should be put away. Should we lose altitude under pressure during the flight, reach up and pull down a prayer. Prayers will automatically be activated by faith. Once your faith is activated you can assist other passengers. There will be no baggage allowed on this flight. The Captain (God) has cleared us for takeoff. Destination....greatness.
