A note to Rick Wessels and a nod to Wright Contracting's  
**Yaunce Alexander**, Project Manager

Rick,

I was going to wait until the end, but I want to be sure not to forget to thank you for everything through this process. I also want to commend you on the great team and people you have working with/for you. From Digger, to Shelly, to Yaunce, everyone has been absolutely wonderful to me and very good at their jobs. I've said it before, but I'll reiterate that I realize I'm a tiny fish in your bigger pond, yet everyone has been so great about everything.

This is a big move for me, relatively speaking, that has been a long time coming, and I'm grateful to be here and have worked with your crew.

Thanks for having me.
